State-first roundabout

The Town of Walkerville has delivered a new roundabout – the first of its kind in SA – which has been nominated for an award.

The reconstruction of the roundabout at the intersection of Walkerville Terrace and Smith Street was completed earlier this month. Administration had been looking for a solution to the ageing and damaged roundabout for three years.

Council partnered with precasting group Bianco and construction company Camco to deliver the project using a unique process, making the reconstruction a first for South Australia.

The upgraded roundabout used a methodology, which is regular in the development of high-rise buildings, but not common for civil roadworks. Precast concrete panels were molded to the required size and shape of the intersection in Bianco's precasting yard at Mile End. The panels were then transported at nighttime and lifted into place using a crane. Works for the redesign were completed extremely fast, taking contractors three nights to install.

As time progresses, the materials used to create the roundabout will set to reach its full strength. The roundabout was at 40-50% of its ultimate strength within the first day of completion, 90% in the first week and will reach 100% by the end of the month. The diameter of the roundabout has also decreased by 300mm to allow for greater movement and flexibility for buses and trucks.

A regular roundabout on Walkerville Terrace would generally last about 10 years. By using this new method of development, Council has more than doubled the lifespan of the asset and it is now expected to last approximately 25 years.

Once the reconstruction was finished, Council's beautification team completed the associated landscaping.

The project has been submitted to the Institute of Public Works Engineering Australia, South Australian Division (IPWEA SA), as part of its 2020 Excellence Awards. Council is expecting the winner to be announced in November this year.

Weekly round up

Beat the heat and stay in the shade

Have you had a chance to check out Council's new shelters over the Walkerville Oval Playground?

Three shade structures have been installed over the playground equipment to protect children from the sun.

Coronavirus (COVID-19)

Please be advised that we are continuing to update our website with COVID-19 news, including returning services and programs.

To find out more information about how we are responding to COVID-19, please visit <https://www.walkerville.sa.gov.au/community/latest-news/covid-19>

If your business, sports club or community group does not have a COVIDSafe Plan, you **must** complete one as soon as possible. For information on the latest updates, or to create a COVIDSafe Plan, visit <https://www.covid-19.sa.gov.au/recovery>

Weekly round up

Open Space Strategy

Council has finalised its 2020-2025 plan aimed at guiding the future of parks and reserves in the Township.

Open space is essential to a healthy, liveable and enjoyable community within the Town of Walkerville. To meet the needs of the growing and changing residential and worker population, Council prepared an *Open Space Strategy* in 2014 for the entire Township. This document has been worked upon and updated, appearing as the [2020-2025 Open Space Strategy](#).

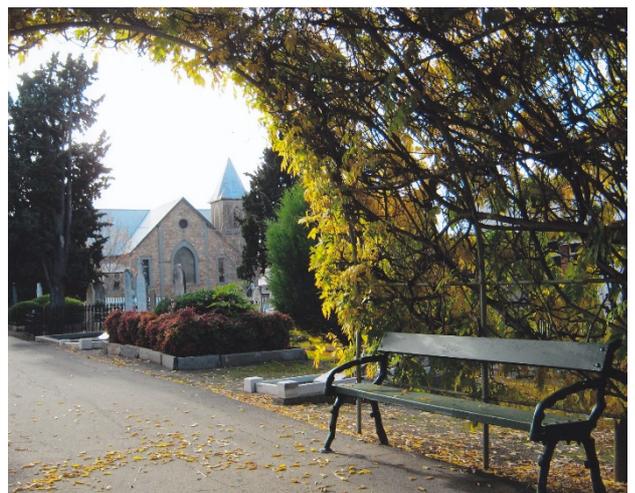

This plan provides a strategic position for the Town of Walkerville's open space areas with reference to Council and State Government strategic documents, Council's demographic profile and current open space and recreation trends. It outlines a series of recommended future works relative to each of the Council owned or managed open spaces, in order of priority as determined by Council.

Advance notice: Wesleyan Cemetery works

Irrigation and landscape upgrades are being undertaken from Tuesday (21 July 2020) at the cemetery off Smith Street.

As part of the 'Wesleyan Cemetery Improved Landscaping and Maintenance Program', Administration will be undertaking the following improvements:

- The replant of 14 new trees in various locations;
- The installation of additional bench seating;
- The installation of lawn areas; and
- General garden bed renewal.

Access to the site may be temporarily denied or limited as per the contractor's needs. Please note that this work is separate to the "consultation" that was recently undertaken.

Asset Management Plan

Council has published its *2020-2030 Asset Management Plan*.

The Town of Walkerville's assets provide valuable services to the district and consist of more than 3900 individual assets, including transport (roads, footpaths, kerb and carparks), buildings, stormwater, open space (structures furniture & facilities) and plant and equipment.

In total, the portfolio has a replacement value of \$158 million and a "Fair Value" (depreciated replacement value) of \$115 million. The effective and efficient

management of the portfolio will ensure the assets are maintained at an appropriate level and at an affordable cost to the community.

Council's Asset Management Plan has been prepared to meet minimum legislative and organisational requirements for sustainable service delivery and long term financial planning and reporting. This plan is to be read in conjunction with Council's digital asset management program – the Assetic System.

The Town of Walkerville is transitioning to this online medium as a way to log and display the data of specific asset groups. Transport is the first asset class to be created through the system and the remaining four groups will be transitioned in future.

The purpose of the Asset Management Plan (AMP) is to ensure that assets provide their required levels of service in the most cost effective manner to cater for both the

present and future community. This plan specifies the requirements for effective management of assets and the corresponding financials. The figures in this plan are reviewed annually, with a full update completed every four years.

Movie Matinee – The Hundred Foot Journey

THE HUNDRED FOOT JOURNEY

TUESDAY, 4 AUGUST 2020

10.30AM – 12.45PM

WALKERVILLE TOWN HALL

Book by calling 8342 7100 or at
www.trybooking.com/BKCKL

Join us for a movie matinee on 4 August 2020 at 10.30am in the Town Hall of *The Hundred Foot Journey*. Starring Academy Award winner Helen Mirren, this uplifting story bursts with flavour, passion and heart. When the chef of a Michelin-starred restaurant in France (Mirren) gets wind of a culinary immigrant opening an Indian restaurant 100 feet from her own, her protests escalate to all-out war between the two establishments.

Gold coin donation, light refreshments will be provided.

[Click here to book](#) or call 8342 7100.

Weekly round up

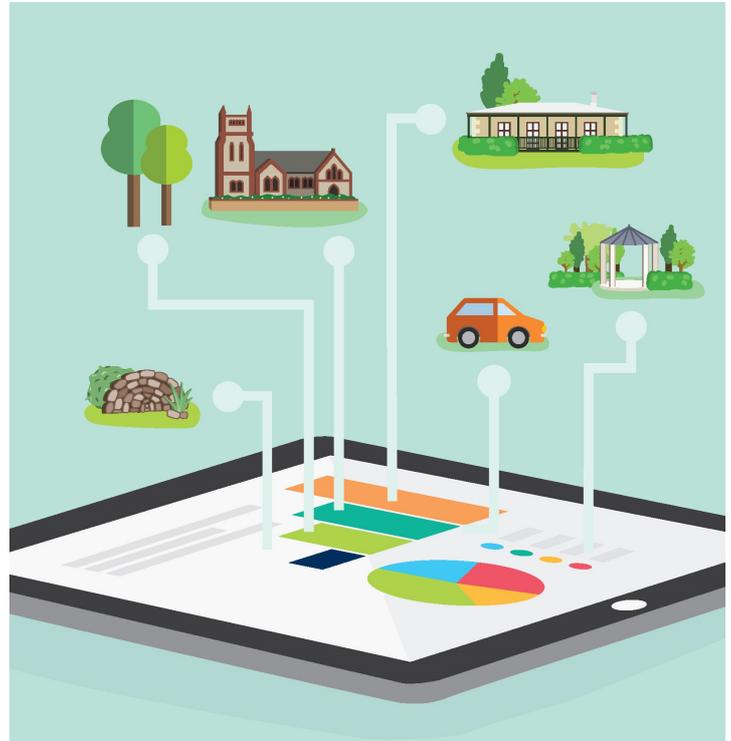

Have you had your say?

Council is seeking your feedback on its *Draft 2020/21 Annual Business Plan*.

Each year, Council is required to produce a budget as part of a business plan which describes how it will deliver its services and achieve its goals using available funds.

The *Draft 2020/21 Annual Business Plan* is forecasting:

1. An average residential rate increase of **1.85% (including growth)**
2. An average total rate increase of **1.51% (including growth)**
3. Total income of **\$10,212,207**
4. Total expenditure of **\$10,196,985**
5. Total expenditure allocated to capital works (the renewal of existing infrastructure, along with new projects, within the Township) of **\$2,745,000**
6. A budgeted operating surplus of **\$15,224**.

The draft plan is available by:

7. [Clicking here](#) (or visiting www.walkerville.sa.gov.au)
8. Collecting a printed copy from the Civic and Community Centre: 66 Walkerville Terrace, Gilberton

We invite community comment on the plan by:

- Completing a copy of the feedback form inside the business plan
- Emailing responses to: walkerville@walkerville.sa.gov.au with the subject line "2020/21 Budget"
- Posting responses to: Chief Executive Officer, PO Box 55, Walkerville, SA 5081.

All feedback must be submitted by 5pm on Friday, 24 July 2020.

Digital Walkerville

We are continuing to share our programs and events online

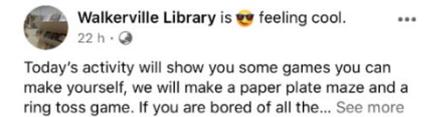

Although we are beginning to reintroduce in-person events, there are some programs still offered online to continue access for our community. Visit the [Town of Walkerville Facebook page](#) or [Digital Walkerville page on Council website](#).

School holiday craft videos

Check out [Walkerville Library Facebook page](#) over the school holidays. We have been bringing you craft activities that you can do at home.

Make your own games

We show you how to make a paper plate maze and a ring toss game. If you are bored of all the games you have at home why not try making one of these? Check out the video via [Facebook](#).

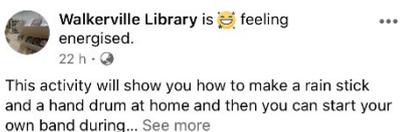

Foil art

We show you a few easy and fun craft ideas to make with foil at home. We make a foil pendant and two foil art pieces. Check out the video via [Facebook](#).

Science experiments

These Science experiments are an early celebration for Science Week 2020 which is from 15th – 23rd Aug. We have chosen two fun & easy rainbow experiments. Check out the video via [Facebook](#).

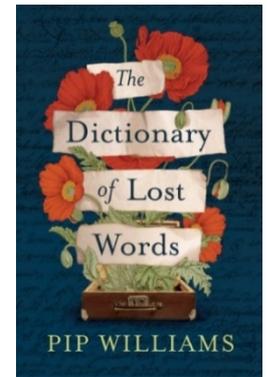

Make your own musical instruments

This activity will show you how to make a rain stick and a hand drum at home and then you can start your own band during the holidays. Check out the video via [Facebook](#).

Weekly round up

Author talk with local Adelaide author Pip Williams

Walkerville Library recorded an author talk with Pip Williams. Her latest book *The Dictionary of Lost Words*, published only two months ago, has been a best seller and a great read for many during isolation. The author talk video can be watched [here](#). More information on the book can be found [here](#).

Dog & Cat Registration – Renewal Notices

1 July 2020 – 31 August 2020

Dog registrations fees have increased slightly this year with the main fees being:

- Non-standard dog: \$75.00
- Standard dog: \$37.50
- Concession: 50% rebate applies to standard or non-standard rate (for eligible concessions)

Dog and **Cat Owners** will now start receiving their renewal notices by post, sms or email. It is important to check your emails to see if you have received your notice.

Once you have received your renewal notice with your renewal code, you will be able to go online at www.dogsandcatsonline.com.au and renew your dog and cat's registration at any time before 31 August 2020. You can also add any new cats or dogs at the same time.

Cat Owners who have registered their cat's microchipping details into DACO will receive a Cat Owner Notice. Cat owners must maintain their details on www.dogsandcatsonline.com.au by simply checking all details are up to date and completing the free renewal.

If you need assistance with registering your pet, please contact Council for assistance.

Renew on dogsandcatsonline.com.au

- 1 Select **Register**
- 2 Select **Renew Registration**
- 3 Enter your **renewal code** and **surname** (see overleaf)
- 4 Check your **personal details** are correct
- 5 Check your **dog and/or cat details** are correct
- 6 Add any **new dogs and/or cats**
- 7 Complete **payment** section

If you are unable to pay electronically, please select another option at the bottom of your renewal notice.

Registration is not valid until payment is complete.

Failure to register your animal by the due date may result in a late fee. An expiation may also apply.

LAST DAY TO PAY 31 AUGUST 2020

How do you register a new owner for a dog or cat? How do you transfer a registered dog or cat to a new owner?

The Dog and Cat Management Board have created a range of easy reference guides available for the public on [how to complete a microchip record](#), [how to transfer a dog and how to register a new dog or cat](#), just to name a few. These guides can be found on the [dog and cat management board website](#) or by contacting our Customer Experience Team for assistance on 8342 7100.

Changes to Medindie parking controls

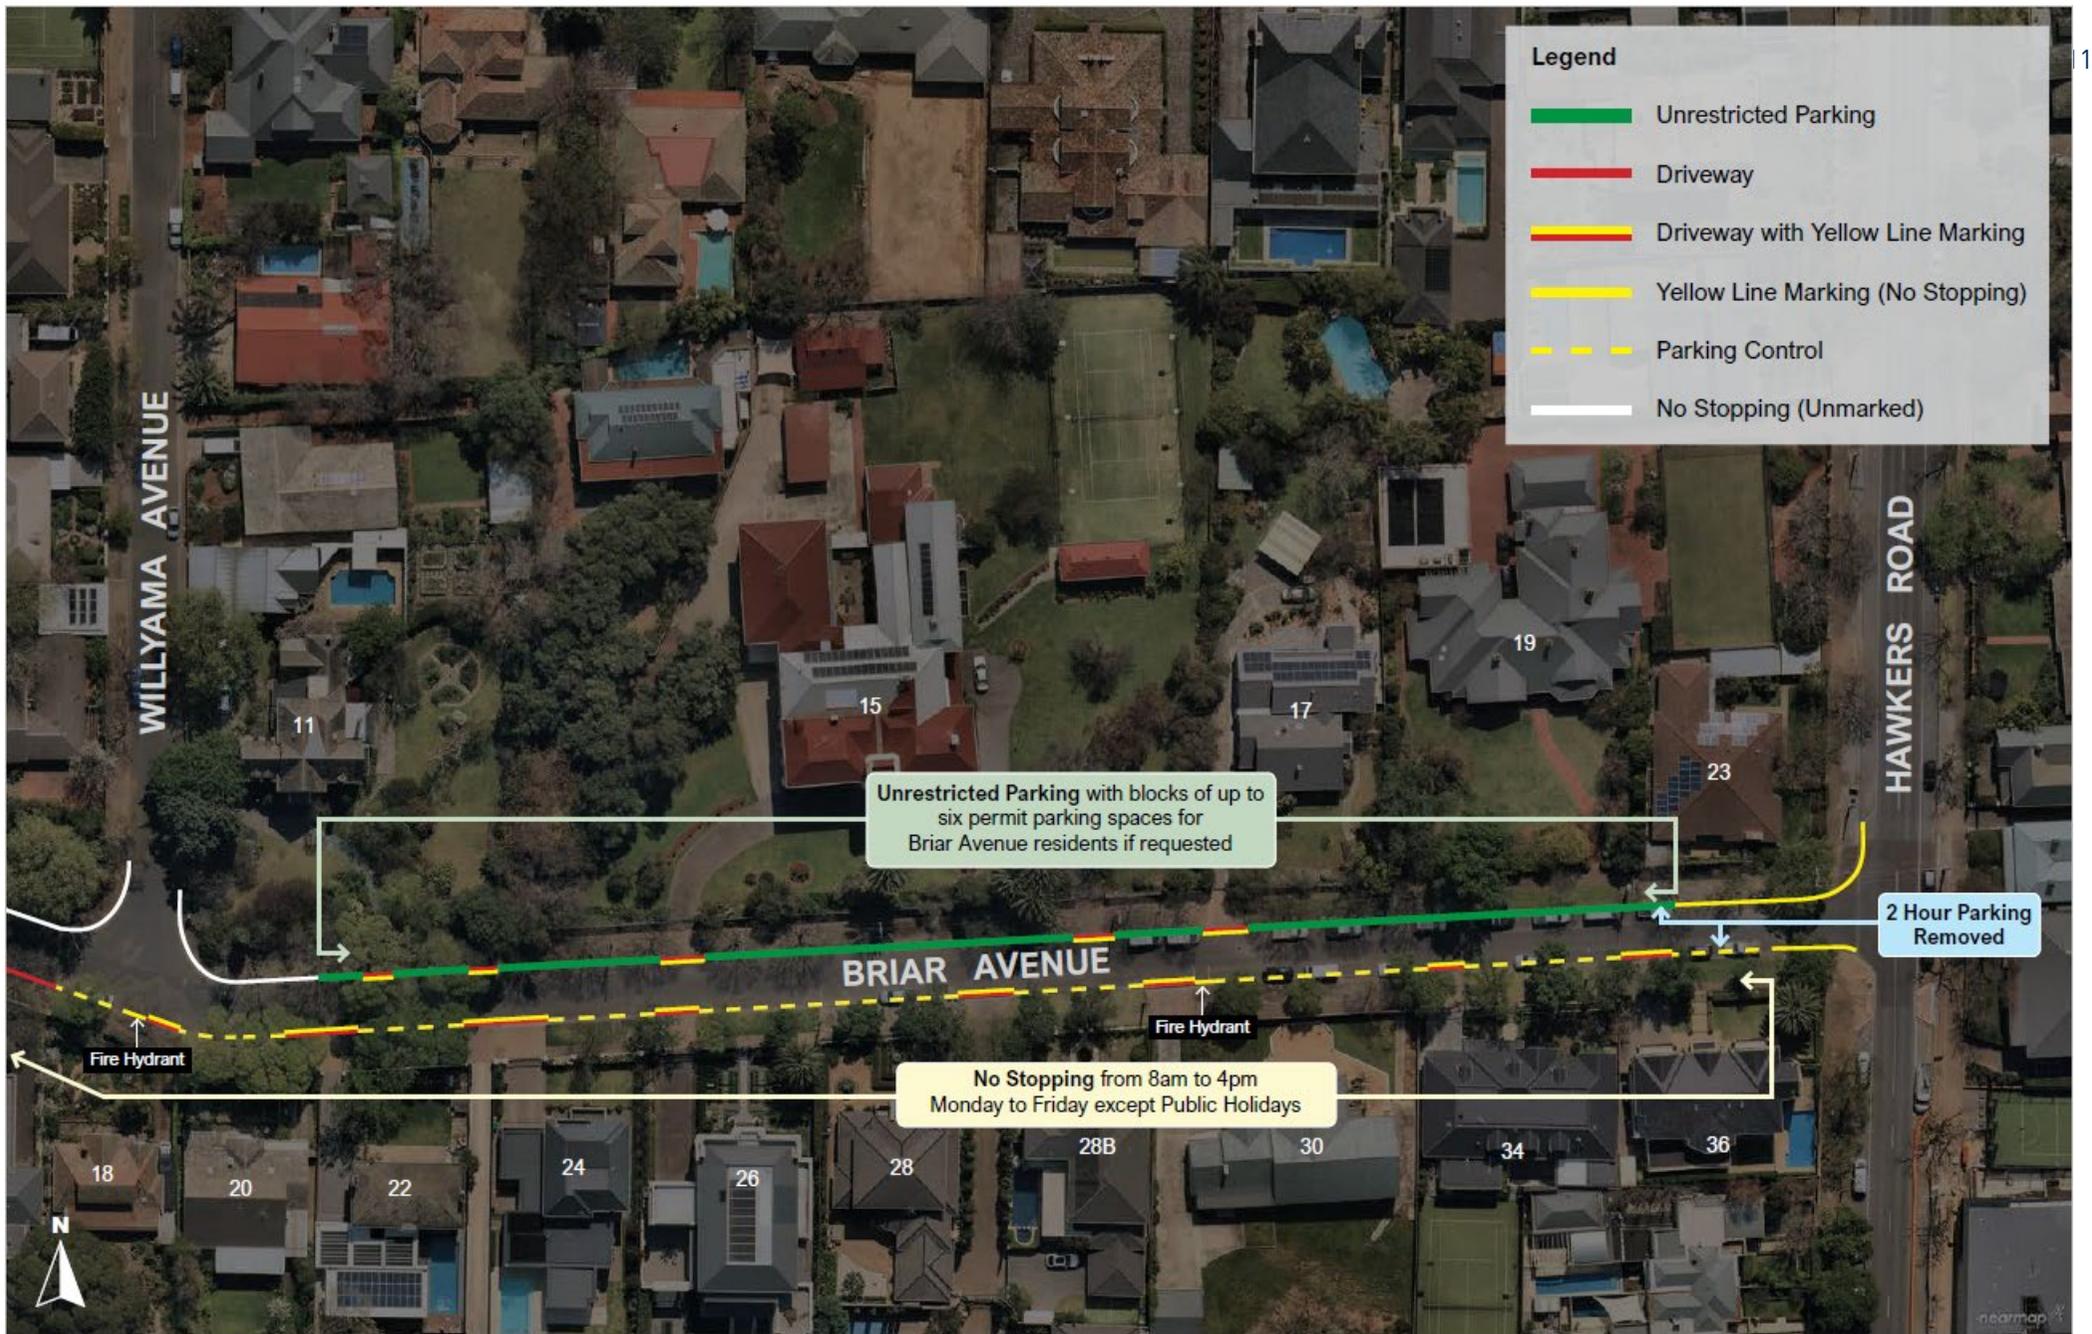

Council's contractors have undertaken parking controls in an effort to improve congestion within Briar Avenue.

Extent of works (refer to below maps for further clarification):

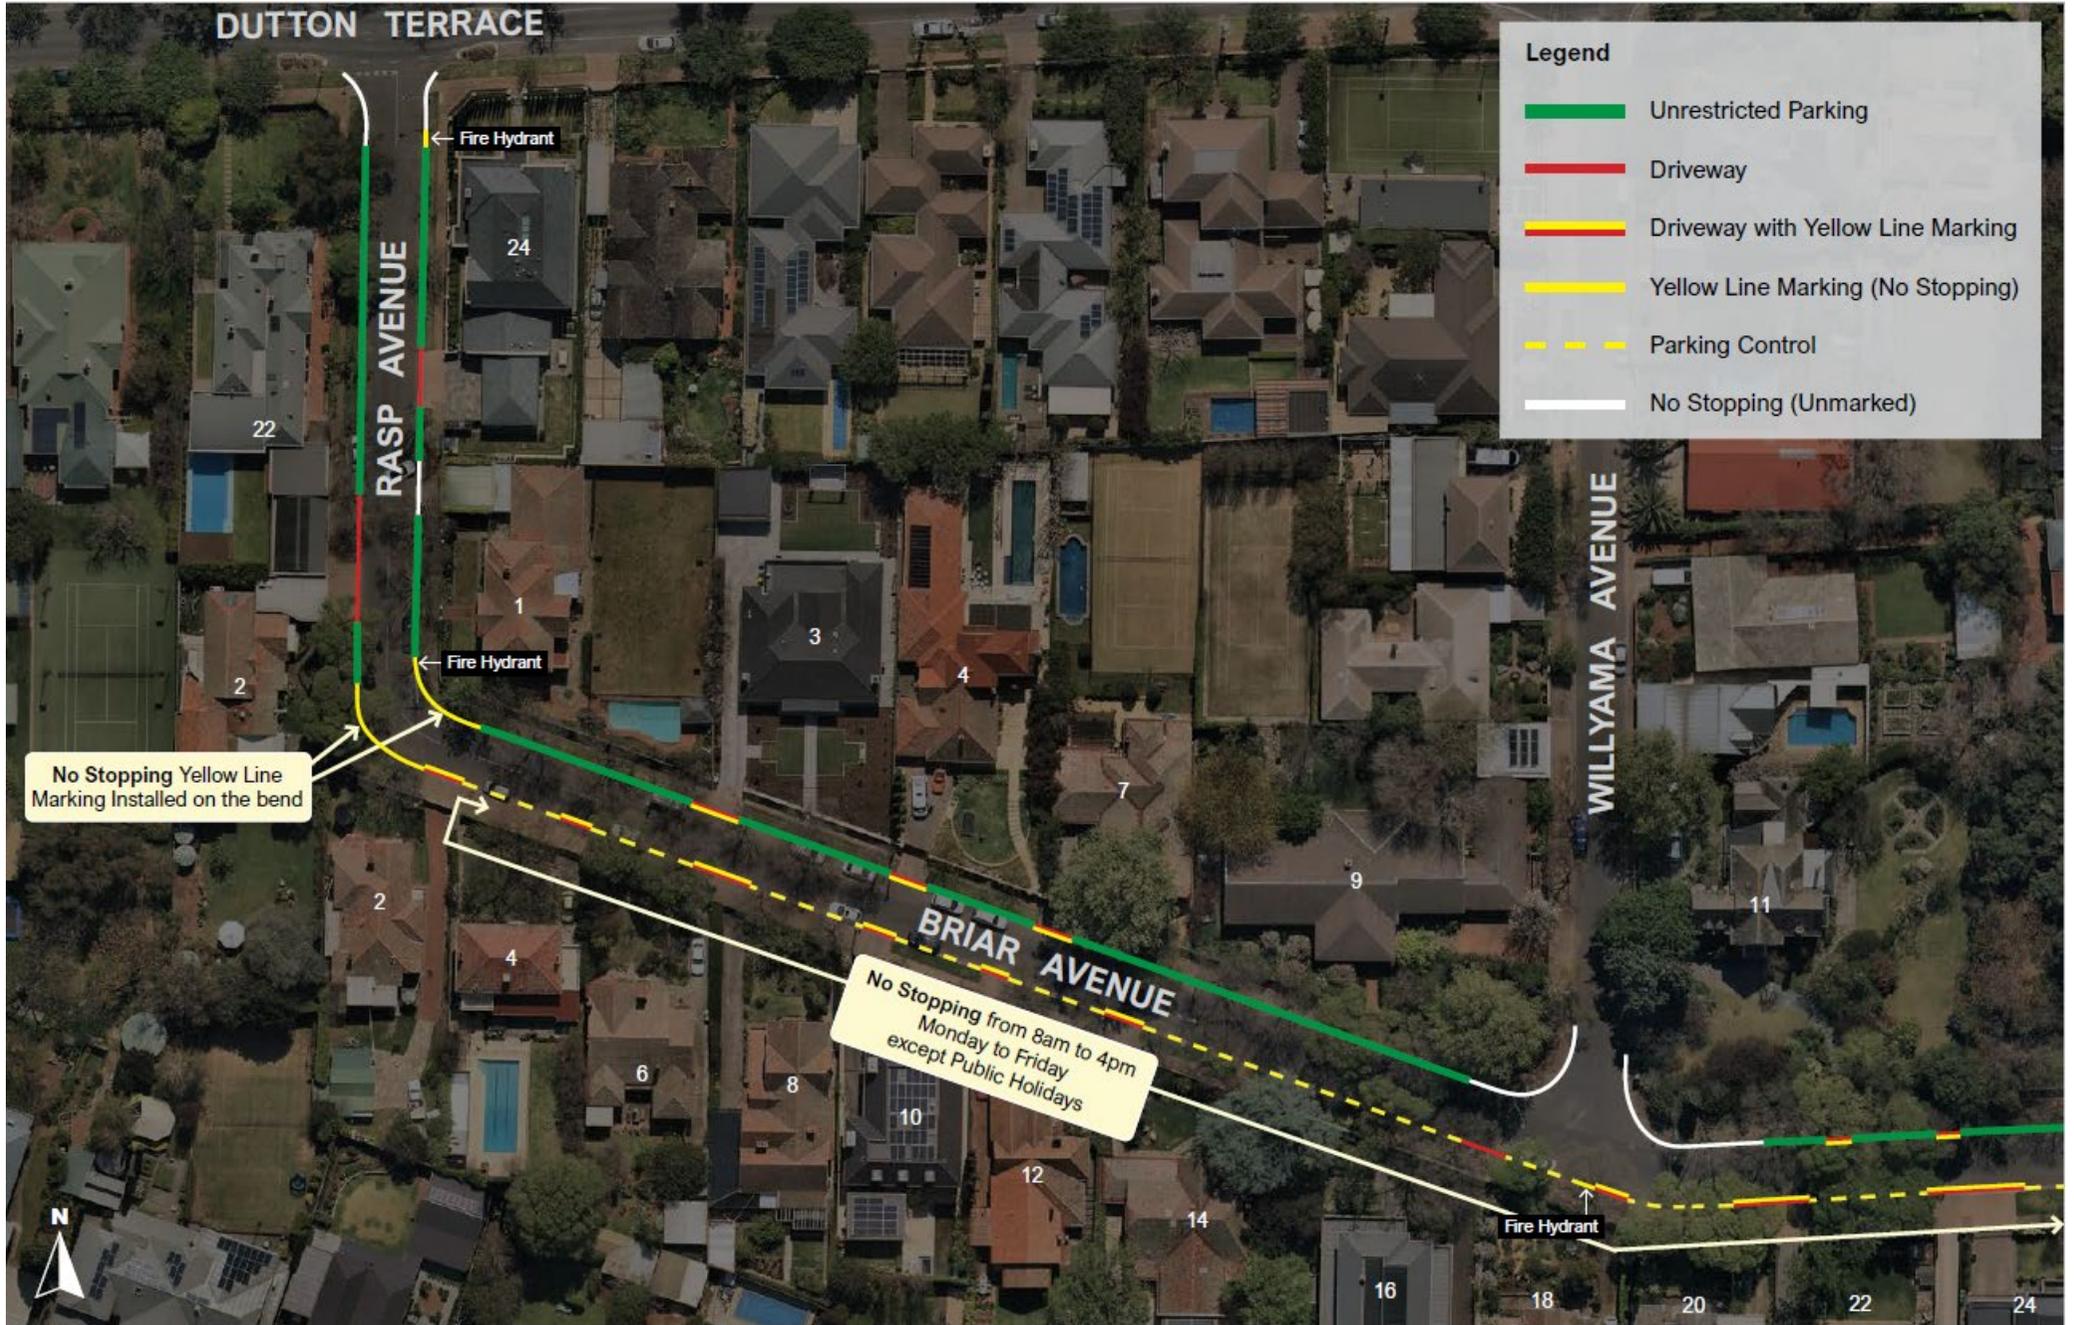

- Unrestricted parking on the north side of Briar Avenue with blocks of permit parking for applicable Briar Avenue residents if requested.
- "No Stopping" on the south side of Briar Avenue from 8 am to 4 pm on Monday to Friday except on Public Holidays.
- Yellow line marking for "No Stopping" on the corner of Briar Avenue and Rasp Avenue.

A copy of the Medindie Transport and Parking Plan can be viewed by [clicking here](#).

Should you have any questions, please contact Council on 8342 7100.

Street sweeping helps keep the Township clean

Additional autumn leaf collections have commenced within the township.

The street sweeper will be focusing on streets where there is significant fallen organic leaf matter. Officers are inspecting streets and adding to the list as required, this list changes week to week subject to the amount of leaf litter present.

This not only keeps our streets looking clean and tidy, it also helps protect our environment by removing leaf litter and debris before they enter the stormwater system. It also reduces the chance of flooding in the event of heavy rain and importantly clean streets ensuring our roads are safe for motorists, cyclists and pedestrians.

Our sweeper has to stop to spread materials that have been placed into piles. While we appreciate the efforts of residents to pile leaf litter, our street sweepers cannot pick up these piles. Leaving the leaf litter spread in the gutter helps keep our sweepers moving.

Our street sweeping programs are seasonally adjusted to effectively manage the level of risk in streets where issues are present generally relating to street tree litter.

Vale Park	Main Roads	Gilberton/Medindie	Walkerville
	22/7/2020	29/7/2020	6/8/2020
12/8/2020	19/8/2020	26/8/2020	3/9/2020
9/9/2020	16/9/2020	23/9/2020	1/10/2020
7/10/2020	14/10/2020	21/10/2020	29/10/2020
4/11/2020	11/11/2020	18/11/2020	26/11/2020
2/2/2020	9/12/2020	16/12/2020	29/12/2020*

**The above dates are indicative only. Please note that your actual street sweep date will be within 1 or 2 days of the prescribed date.*

While we make every effort to keep our streets clean year-round, you can help out by doing the following:

- Avoid sweeping leaves or clippings onto the road;
- Do not park caravans, trailers or boats on the road for extended periods.

Residential Parking Permits

Reminder: Renew your parking permits for 2020/ 2021

A renewal letter and application form were sent out at the beginning of May to residents who have residential parking permits which expired on 30 June 2020.

Residents are required to reapply for their permits. Click [here](#) to print a copy of the renewal form. Applications can be emailed to regulatory@walkerville.sa.gov.au and any questions can be directed to the Regulatory Services Administration Officer.

For NEW residential parking permit applications try our NEW [ONLINE FORM](#) – Residential Parking Permit Application or to print a hardcopy click [here](#).

Council Meetings

The next Ordinary Meeting of Council will be held at 7.00pm on Monday 20 July 2020.

All Council and Committee meetings will be temporarily held online until further notice. The Council Chambers will not be open to the public during this time, however, meetings will be [live streamed via YouTube](#).

Items which will be considered by Council at this meeting include:

- 2020-2024 Living Walkerville: wellbeing for every age and stage
- Draft Public Art Strategy
- Social Media Policy
- Update on Council's Asset Management Summary Plan

Questions for public question time may be submitted to the Council Secretariat by 5pm on Monday 20 July 2020 via email (vdavidson@walkerville.sa.gov.au), post (Council Secretariat, PO Box 55 Walkerville SA 5081) or hand delivery (Community and Civic Centre, 66 Walkerville Terrace, Gilberton).
