

A close-up, low-angle shot of a tree trunk and its branches at night. The tree is heavily decorated with warm white string lights, which are densely packed along the main trunk and more sparsely distributed on the thinner branches. The lights create a warm, golden glow against the dark background of the night sky and the dark bark of the tree. The branches are bare, suggesting a winter or late autumn setting. The overall composition is vertical, with the tree trunk running from the bottom right towards the top left.

Community Planting Day - new date announced!

After being postponed due to heavy rain, the Community Planting Day has been rescheduled for Saturday, 5 September 2026.

It's time to get your hands dirty and join us in collaboration with Greening Australia for a fun, community planting day! Together, we will revegetate a section of Linear Park into a thriving, green haven by planting native species that support biodiversity. This is your opportunity to play a part in creating a greener neighbourhood.

Planting plots will be pre-dug, all equipment and materials provided.

Please wear enclosed shoes.

Meet at Willow Bend Reserve, off Ascot Avenue with a short 260m walk to the planting site along Linear Park.

We'll have a coffee can and Walkerville Rotary sausage sizzle onsite to keep us going!

9.30am-1pm on Saturday, 5 September 2026.

Registrations preferred [via Humanitix](#).

Works notice: partial road closures

Fairy lights to illuminate Walkerville Terrace!

Move over Avenue des Champs-Élysées, Paris - Walkerville Terrace is about to light up as the very first stage of the Walkerville Terrace Amenity Improvement Project.

Fairy lights will be installed on the four jacaranda trees at the Walkerville Terrace/Warwick Street intersection from **9am on Thursday, 27 August 2026**.

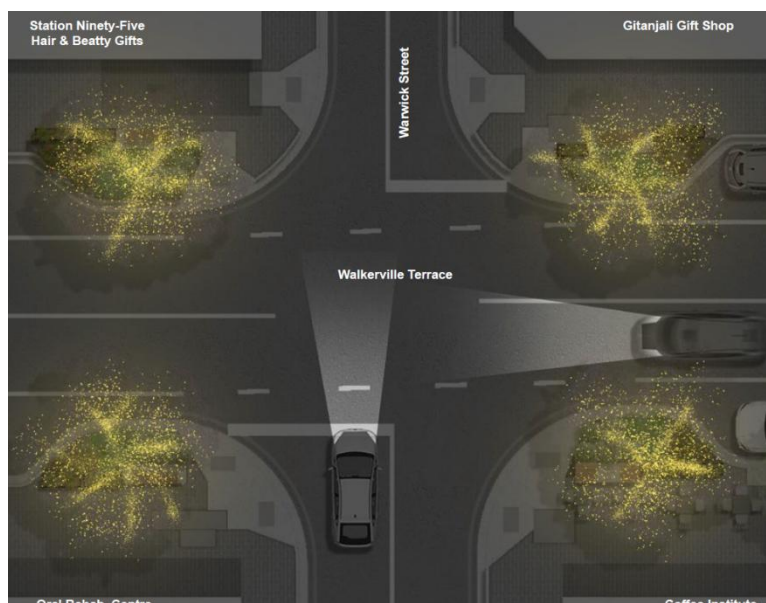

The fairy light installation will require the use of elevated work platforms and alternating lane closures throughout the day. Traffic management will be in place throughout the works.

Council will aim to minimise disruption, however, some temporary impacts may occur, including:

- speed restrictions, alternating lane closures and footpath detours; and
- temporary loss of street parking and driveway access, managed by the onsite Traffic Management Team.

The Walkerville Terrace Amenity Improvement Project is an initiative to deliver upgrades such as raised planter boxes, new seating, refreshed bin surrounds, heritage-style street signage and additional greenery to improve the presentation and appearance of Walkerville Terrace.

For further details, please contact Council's Assets & Infrastructure Team on 8342 7100 or email walkerville@walkerville.sa.gov.au.

Improved disability parking for the Township

A new disability parking space has been created at The Watson, increasing the accessibility of our Town.

The newly created parking space is available for public use by valid Australian Disability Parking Permit holders. It brings the total number of disability parking spaces in Town of Walkerville to 13.

Further parking improvements have been made on James Street, Gilberton, with the implementation of 3-hour parking restrictions. This implementation will help manage traffic flow, improve road safety and ensure fair access to public parking spaces.

Ever wondered where to park around the Township?

Council has an online parking map that provides residents a guide on the location of parking restrictions around the Township, as well as disability and school parking information.

Find the map by visiting walkerville.sa.gov.au/regulatory/parking

Increase in school safety patrols

To improve the safety around local schools, Council's Community Safety Officers will be undertaking additional patrols of the area.

The safety of students is a top priority for Council. Over the coming weeks, Community Safety Officers will be increasing their presence around local schools to encourage safe driver behaviour and help protect children during busy pick-up and drop-off periods.

These patrols are part of Council's ongoing commitment to student safety and aim to educate motorists about the importance of following road rules in school zones.

Officers will initially issue warnings to raise awareness, but vehicles found breaching traffic and parking regulations may face penalties following this period.

Council encourages all road users to take extra care when travelling near schools and to respect parking restrictions. By working together, we can create a safer environment for students, families and the wider community.

What's On at The W?

Home School Program

The W is launching a home school sports program, designed to give home school families the opportunity to access courts and sporting equipment. A variety of activities will be on offer each week, including basketball, pickleball, table tennis, and more.

Between the Stacks

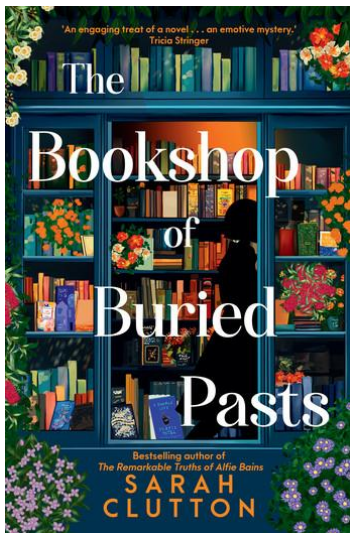

Check out some book reviews from the Walkerville Librarians!
Visit the [library catalogue](#) to place a hold on your next read.

Strangers by Belle Burden

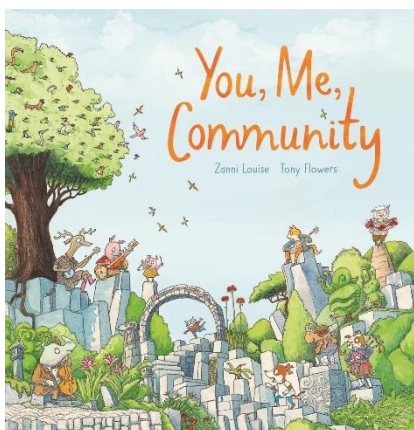

A lot of hype around this one however, nothing special stood out for me. It was just someone's relationship and sadly the breakdown of her marriage is all too common.

A memoir of betrayal, loss, and strength. Never let anyone silence you, be empowered!

The Bookshop of Buried Pasts by Sarah Clutton

I adored Clutton's previous novel, *The Remarkable Truths of Alfie Bains*, but this one didn't hit the same mark for me. The story was indeed intriguing and unusual, but I'm just not a reader who cares for time jumps or a woven mystery – I may be alone in this!

You, Me, Community by Zanni Louise

Beautiful rhymes, lovely illustrations, and a message to warm even the most downcast heart. This is a wonderful picture book, and I've already bought several copies for the little people in my life.

Street sweeping helps keep the Township clean

Our street sweeping programs are seasonally adjusted to effectively manage the level of risk relating to street tree litter.

The autumn leaf sweeping program has commenced, in addition to our weekly program. Streets will be assessed week by week from April to July for excessive leaf accumulation. Sweeping will be programmed accordingly in coordination with Council’s contractor to ensure an efficient and responsive service.

While we make every effort to keep our streets clean year-round, you can help out by doing the following:

- avoid sweeping leaves or clippings onto the road; and
- do not park caravans, trailers or boats on the road for extended periods.
