All food scraps can go in your Food and Garden Organics/FOGO (green lid) bin

Placing food scraps, paper towels, tissues and other compostable materials in the green lidded FOGO bin is the most significant way we can all reduce waste being sent to landfill.

Council provides residents with a Kitchen Caddy and an annual supply of compostable bags to make it easy. Collect your food scraps in the kitchen caddy before placing them in the FOGO bin.

These can be collected from the Town of Walkerville, 66 Walkerville Terrace, Gilberton.
