Something to chew on: Stick Library

Four-legged friends can “rent” a stick at Council’s new library.

Say hello to Council’s new library – but for dogs! The idea is that dogs who fancy a game of fetch can borrow a stick and return it to the box for other four-legged friends to use afterwards. It also aims to create a greater use of parks and encourage families to get out and about as restrictions continue to ease.

The creative Beautification Team designed the library from unused crates and pallets. It is located in Hamilton Reserve, off Mimosa Drive.

Stick libraries have been a huge hit overseas, but we are yet to find one here. Don’t worry – there are no late fees!
Drum roll please...

Introducing the newest member of the Small Business Friendly Council (SBFC) Initiative.

From the Mayor of Walkerville

Small business is the backbone of our community. As Mayor, I recognise the invaluable contribution local companies make to the Township’s economy and in creating employment. As such, Council has a focus on stimulating economic development and assisting local companies in boosting business.

This year, we created a new Shop Local campaign and we continued partnerships with business organisation Propel SA and the Eastern Region Alliance (ERA) Economic Development Group, to provide invaluable networking and mentor services to our businesses.

Now, I am pleased to announce that in line with our strategic goal to support small business, the Town of Walkerville has been accepted as a Small Business Friendly Council (SBFC) by the South Australian Small Business Commissioner, John Chapman.

The SBFC Initiative aims to assist Council in enabling economic development, enhancing local relationships, boosting networking and encouraging business opportunities. As part of the SBFC Initiative, Council will work towards meeting specific goals of the SBFC Charter and staff will have access to information sharing and networking between Councils across the State – including workshops, newsletters and case studies.

To date, 36 out of 68 Councils in South Australia have joined the SBFC Initiative.

For more information on small business in the Town of Walkerville, please click here.

To view the businesses on Council’s Shop Local list, click here.

For details on the SBFC Initiative, click here.

Elizabeth Fricker
Mayor of the Town of Walkerville
**Bees in spring**

Spring is the busiest time of year for bees, not only because of the restocking of food, but it’s also the season when new colonies are started and established colonies re-emerge.

Here’s some information about how we manage the bee population in Walkerville:

**Swarming bees**

You may spot a swarm of bees throughout our Township. A swarm is normal bee behaviour at this time of year. The bees are typically searching for a new location to start a hive or to protect the queen.

Avoid the bee swarm until they settle into a hive (clump), which can take up to 24-48 hours. If the bees are swarming for longer than 48 hours or are low to the ground, please contact Council and we will organise an apiarist to relocate the swarm.

Every attempt will be made to relocate the bees without destroying them. However, at times, access may be difficult and destruction may be the only option.

Please call our Customer Experience Team on 8342 7100 to report a beehive that is causing a nuisance or is a public health and safety risk. Officers will arrange for an inspection and, if required, its subsequent relocation or removal as soon as possible using an apiarist to relocate the bees.

Bees that have formed a hive more than two metres high in a tree/stobie pole etc, will not be removed as this generally does not pose a health or safety risk.

Council will only relocate or remove bees from community land and it is the owner’s responsibility to manage bees within private property.
Church bells ring again

After a long silence, St Andrew’s Church bells were heard across the Township on Sunday (4 October 2020).

The six bells had rung for more than 150 years, however, silence was felt across the church community when the bells went on a 16,000km journey to the UK for repairs.

The bells, which were restored in England last year, were lifted back into the bell tower by crane last week after being blessed in a small ceremony by Reverend Sam Goodes.
Climbing Walkerville

A tree climber scaled a mature Ironbark in Vale Park this week to safely remove the tree.

Severe weather and damaging winds caused the tree to drop one of its large limbs onto a parked car on Almond Court on 21 September 2020.

Staff cleared the area of debris and engaged arborists to assess the tree. After inspection, it was recommended the tree be removed.

The tree climber and arborists removed the limbs, followed by the trunk.

Council plans on using pieces of the trunk as part of a nature play project for Hamilton Reserve.

Walkerville Citizen of the Year Awards open

Nominations for the Walkerville Citizen of the Year Awards are now open.

The Awards reward and recognise individuals and organisations that have made a noteworthy contribution during the current year and/or given outstanding service over a number of years, to a local community over and above normal employment duties. Outstanding contribution and community service includes areas such as education, health, fundraising, charitable and voluntary services, business, sport, arts, the environment, or any other area that contributes to the advancement and wellbeing of our community.

The Awards rely on members of the public to nominate and we encourage you, through your networks, to identify someone who makes a real difference in your
community and give them the opportunity to be rewarded and recognised for their important contribution. Nominations are open for the following categories:

- **Citizen of the Year**
  To be eligible, the person must be an Australian Citizen.

- **Young Citizen of the Year**
  To be eligible, the person must be at least 16 years of age, but under 30, on 26 January of the Awards year.

- **Community Event of the Year**
  This is presented to the person/group who has staged the most outstanding community event during the past year.

- **Award for Active Citizenship**
  This Award would be for a person or group delivering outstanding work for an event or cause staged in the community during the past year.

Complete the nomination form [here](#) and please return completed form before **Friday 30 October 2020** to Fiona Deckert, Manager Community Development & Engagement, Town of Walkerville, PO Box 55 Walkerville 5081 or email walkerville@walkerville.sa.gov.au

You can also collect hard copy nomination forms from the Civic and Community Centre at 66 Walkerville Terrace, Gilberton.

Be Well Tracker
What’s in it for you?
The Office for Recreation, Sport and Racing is promoting an important initiative for October Mental Health week with the SAHMRI Wellbeing and Resilience Centre who are offering their online mental health survey tool to individuals; the Be Well Tracker. The tool contributes to advancing important mental health research here in South Australia. The Be Well Tracker provides you with the opportunity to confidentially learn about your personal levels of wellbeing, resilience, mood, stress and anxiety symptoms as well as perception of physical health. You will receive a free in-depth report upon completion of the assessment pointing you to areas you are doing well in, areas you can improve on and areas you should consider to action. The tool also gives you access to a library of resources designed to support your journey toward improved wellbeing.

Learn about the Be Well Tracker HERE:

How can you be involved?
All individuals who register will be sent an email invitation from October 9 containing a unique individual link to the Be Well Tracker. Please do not forward your individual link to another individual. You can open the link using Firefox, Chrome or Edge. Once on the site you will need to Create an Account as a new user using an email address and password of your choice, then you will be able to the complete the survey.

Who will have access to my personal information?
No one will receive information about any individual who has completed the survey.

De-identified data will be used to support mental health research in South Australia. The Be Well Tracker measurement platform adheres to stringent global security policies under EU’s GDPR guidelines for data protection and privacy. See the Frequently Asked Questions HERE.

Where can I access further information?

If you experience issues accessing the survey, please contact the SAHMRI Wellbeing and Resilience Centre team at: support@bewelltracker.com

Three quick waste tips

1. Keep a separate box/bin in the kitchen for used paper towel and tissues – these can go into the green organics bin.
2. Sign up to fruit and vegetable delivery services, direct from the farmer as these tend to be delivered in cardboard boxes – reducing plastic sent to landfill.
3. Purchase re-useable silicone or steel straws, they reduce the amount of plastic being sent to landfill.

Weekly Round Up
Age is no barrier to becoming an entrepreneur

Older individuals no longer need to observe traditional retirement age. Fitter and healthier than ever, they have experience and knowledge to contribute to their communities through new ventures. The City of Unley and UniSA Business are working together to provide support and skills training for older individuals through the Startup@AnyAge Project, supported by funding from the Office for Ageing Well, SA Health.

High-profile entrepreneurs are often portrayed as working alone to start high-risk, profit-making businesses. Programs to support new ideas and business may put off mature-age individuals who do not aspire to the same financial goals and the higher workloads of young entrepreneurs. Co-researcher and entrepreneurship expert, UniSA’s Dr Shruti Sardeshmukh, says mature-age individuals offer unique insights for new ventures. ‘The wealth of experience and resources that come with a life well lived can provide many ventures a better chance of success,’ Dr Sardeshmukh says.

The Startup@AnyAge program focuses on exploring micro-businesses that operate on a very small scale and social enterprises that address social issues. The project aims to support older individuals to be confident at using their passion, purpose and life-skills in meaningful activities, and on their own terms. The project is starting with a survey to identify people’s views on new ventures later in life. This will be followed by small discussion groups that guide the development of free workshops for those 50 years and older interested in entrepreneurial activity. These free workshops will be offered in 2021. Opportunities to connect with the wider entrepreneurial network across Adelaide are also planned.

The research team would love to hear your views on enterprise in later life – whether or not you feel that this is something you would personally consider. To participate, complete our online survey. If you don’t have access to a computer, tablet or smart phone - ask your local library for assistance.

**Street sweeping helps keep the Township clean**

Our street sweeping programs are seasonally adjusted to effectively manage the level of risk in streets where issues are present generally relating to street tree litter. While we make every effort to keep our streets clean year-round, you can help out by doing the following:

- Avoid sweeping leaves or clippings onto the road;
- Do not park caravans, trailers or boats on the road for extended periods.

Expressions of Interest

Council is looking for Audit Committee Independent Members – Last day to apply!

The Town of Walkerville is committed to maintaining a strong and consistent legacy of financial management and investment.

Council is inviting expressions of interest from individuals who would like to be appointed an Independent Member to the Town of Walkerville’s Audit Committee.

The Committee - which is responsible for overseeing financial reporting and disclosure for the Town of Walkerville, as well as advising Council on financial management - currently has a vacancy for two Independent Members, for a maximum of three years, from December 2020.

Independent Members of the Committee will need to demonstrate:

- Prior Board or relevant Committee experience;
- A business or commercial background in accounting, audit, finances, legal, risk management and governance;
- The ability to dissect and interpret information in an impartial manner;
- Sound judgment;
- Strong communication skills;
- The flexibility and commitment to attend Committee meetings, some of which may be outside normal business hours, both virtually and in person.

All Committee Members are expected to acknowledge, and comply with, Council’s Code of Conduct.

The Committee meets quarterly and as business needs arise. A sitting fee is paid to Independent Members.

Click here to view a copy of the Audit Committee Terms of Reference.

Expressions of interest – including a cover letter and resume detailing experience, qualifications, skills and knowledge, along with two references – should be emailed to the Group Manager Corporate Services, Monique Palmer, at walkerville@walkerville.sa.gov.au or posted to Town of Walkerville, PO Box 55, Walkerville 5081 with the subject line “Audit Committee Independent Member”.

Applications close 5pm on Friday 9 October 2020.

Weekly Round Up
Council is now undertaking community consultation regarding the proposed revocation of the Community Land Classification from the whole of the land contained within Smith 1 and Smith 2 and the portion of land contained within Depot on which the building straddles; otherwise known as 39 Smith Street, Walkerville.

The current lease over the site expires 31 December 2020 and Council has resolved not to renew or extend the existing tenancy agreement. This is due to the age and deterioration of the existing building, its limited life span and the increasing liability presented to Council should the building be re-leased without undertaking further unbudgeted and costly repairs.

Since 2013, both past and present Councils have made clear their intention to improve and redevelop all Council-owned land (including the aging buildings) between Smith and Fuller streets for the benefit of the community.

The aim of the revocation is to enable a redevelopment of the area to improve the land and/or facilities for the community’s benefit, thus increasing community access, use and engagement.

Council has resolved to undertake an expressions of interest process over the whole of site, for possible development options, in line with the ‘Community Zone’ envisaged under Planning and Development Zoning. This could include a recreation centre,
educational establishment, child care centre, clubroom, playground, health facility, place of worship, consulting rooms, theatre, primary or secondary school.

Pursuant to section 194 of the *Local Government Act 1999*, Council has compiled a Public Summary Report, which contains a description of the land, the reasons for the proposal, any Dedication, Reservation or Trust to which the land is subject, the intention of Council once the revocation has occurred and its effect on the community. This report can be downloaded below:

**PUBLIC SUMMARY REPORT**

The Town of Walkerville now invites interested parties to provide feedback relevant to the proposed revocation of Community Land.

**How to take part:**

The community consultation opens **9am Tuesday 1 September 2020** and closes **5pm Friday 16 October 2020**. Written submissions should be submitted as follows:

If posted, to:

**The Chief Executive Officer**  
39 Smith Street – Revocation of Community Land Classification  
Town of Walkerville  
PO Box 55  
Walkerville SA 5081

Or if emailed, to: walkerville@walkerville.sa.gov.au with the subject line “39 Smith Street – Revocation of Community Land Classification”.

It should be noted that this matter is neither connected nor relevant to the current lease arrangements over the site as Council has previously resolved not to renew or extend the existing tenancy agreement. Only submissions as they relate to the proposed revocation will be considered. Further extensive background information pertaining to the site, lease, strategic master planning and/or revocation applications, can be obtained from:

Capital Works Update

William Road, Vale Park. Kerb and Gutter Works to Occur

Work will commence Saturday 10 October 2020 and last about 5 days. This will complete the concrete works section of Capital Works for 2020/ 21.

Minor concrete repairs will also be carried out in Walkerville Terrace (near Civic Centre) and Stephens Terrace (near North East Road).

Fencing along Warwick Street will be completed early next week. Further works on Warwick Street will occur during the January 2021 School Holidays.

A quick heads up - Topcoat, our asphalt contractor has indicated that they will bring the asphalt program forward to November 2020, excepting work in school zones, which is to occur during the January 2021.

Council Meetings

The next Ordinary Meeting of Council will be held at 7.00pm on Monday 19 October 2020.

All Council and Committee meetings will be temporarily held online until further notice. The Council Chambers will not be open to the public during this time, however, meetings will be live streamed via YouTube.

Questions for public question time may be submitted to the Council Secretariat by 5pm on Monday 19 October 2020 via email (vdavidson@walkerville.sa.gov.au), post (Council Secretariat, PO Box 55 Walkerville SA 5081) or hand delivery (Community and Civic Centre, 66 Walkerville Terrace, Gilberton).
