## Alfred Street nominated for award shortlist

The Alfred Street – Greener Gateway project has been shortlisted for the Institute of Public Works Engineering Australasia (IPWEA) Excellence Awards category of *Environment & Sustainability*.

The Alfred Street project – which was completed earlier this year – showcases the Town of Walkerville’s focus on resilient design and sustainability.

This street was transformed into a one-way pedestrian-friendly road with additional roadside trees and improved stormwater management through permeable pavement.

The project has been shortlisted as part of the IPWEA Excellence Awards and the winner will be announced at an awards ceremony on 8 September 2023.

# Walkerville comes alive for SALA this Sunday!

For the upcoming South Australian Living Artists (SALA) Festival, Walkerville will come alive with art and music!

Town of Walkerville will be bringing the community a truly unique SALA event, placing artists and musicians in the heart of the Township, from 10am-2pm on Sunday, 13 August 2023.

Follow our live art trail through Walkerville and discover a world of paint, clay, chalk and more, produced right before your eyes!

A total of seven artists will be using their chosen medium to create amazing art live for all to watch, and will be accompanied by talented musicians.

Once completed, the permanent art pieces will be on display at the Civic & Community Centre for a few weeks before they make their way to their new home.

Visit [our website](#) for information about the event, including a map of the art trail and information about how you can enter a raffle to win the very art made on the day!

## Vale Park Primary School students get peek into Council wildlife boxes

Wildlife expert James from FauNature gave a presentation on Thursday to students at Vale Park Primary School to explain the importance of artificial hollows, like the wildlife boxes around the Township.

Last year, schools like Vale Park, assisted FauNature and Council in painting beautiful wildlife boxes to be placed in different important ecosystems along the River Torrens.

After 12 months, the students were able to learn more about the wildlife boxes and how they have greatly benefitted the Council area's wildlife population.

# Dead Set Expo

Walkerville Uniting Church held a Dead Set Expo on Wednesday for Dying To Know Day in the Walkerville Town Hall.

The aim of the expo was to provide the community with easy access to information and services about end-of-life planning.

Dying To Know Day is an important awareness day, as nine out of 10 Australians believe end-of-life planning is important, however, only one third of Australians actually put actions in place!

Whether it was Wills, funerals or advance care directives, there was a lot of information available for attendees so they could better understand their options before they reach the end-of-life stage.

# Completion of 2022/23 footpath program

Town of Walkerville's annual footpath program has now been completed.

Each year, the Town of Walkerville repairs and replaces footpaths across the Township as part of Council's Capital Renewal Program.

The paths completed this year – including Smith Street and Warwick Street in Walkerville, and Stewart Avenue, Cambridge Street, Redford Street and Wilpena Avenue in Vale Park – have freshened up their areas and made them safer for the community.

The footpaths on Council's draft list for renewal this financial year are:

- North East Road, Walkerville – Smith Street to Stephen Terrace
- Nottage Terrace, Medindie – Northcote Terrace to Main North Road
- Smith Street, Walkerville – Church Terrace to Carpark (western side)

The 2023/24 Annual Business Plan includes the funding of \$2,899,000 to go towards existing infrastructure works, like footpath renewals.

Works for these footpaths are expected to begin early 2024.

For further information, please contact Council on 8342 7100 or email [walkerville@walkerville.sa.gov.au](mailto:walkerville@walkerville.sa.gov.au).

## Dog and cat registrations

It is that time of year again! Council will be sending out letters, emails and texts reminding people to renew their registrations for their dogs and cats.

Did you know it is against the law to own a dog or cat that is unregistered?

Don't get caught out and fined for having an unregistered pet! Plus, it can greatly assist when your lovely pooch or purr-baby goes missing.

You can renew your dog and cat registrations on the [Dogs & Cats Online \(DACO\)](#) system or you can call Council on 8342 7100 to get assistance from our helpful staff.

All Town of Walkerville residents have until the end of the month, 31 August 2023, to get their dog and cat registrations renewed.

Not only do your dogs and cats need to be registered, they also need to be desexed and microchipped!

For an easy guide to renewing your dog or cat registration, or to register a new pet, you can head to the [Dog and Cat Board website](#) for details.

Additionally, the Dog and Cat Board has a lot of handy tips for dog and cat owners.

## Town Hall restoration works underway

Refurbishment of the Walkerville Town Hall exterior commenced last week.

Whilst visiting the Civic & Community Centre over the coming weeks, you may notice some maintenance works occurring to the Walkerville Town Hall.

Painting and repair works are underway to restore the external doors, door frames and window frames around the building, which have deteriorated over time due to weather.

Colours will match the original pallet, with works expected to be completed by the end of August.

For further information, please contact the Assets & Infrastructure Team on 8342 7100 during business hours.

# Street sweeping helps keep the Township clean

Our street sweeping programs are seasonally adjusted to effectively manage the level of risk in streets where issues are present generally relating to street tree litter.

While we make every effort to keep our streets clean year-round, you can help out by doing the following:

- Avoid sweeping leaves or clippings onto the road;
- Do not park caravans, trailers or boats on the road for extended periods.

Main Roads	Gilberton/Medindie	Walkerville	Vale Park
16/08/2023	23/08/2023	31/08/2023	6/09/2023
13/09/2023	20/09/2023	28/09/2023	4/10/2023
11/10/2023	18/10/2023	26/10/2023	1/11/2023
8/11/2023	15/11/2023	23/11/2023	29/11/2023
6/12/2023	13/12/2023	21/12/2023	27/12/2023
