The Show is run by volunteers of the Walkerville Rotary Club and raises money for a range of charitable projects, including wildlife regeneration, mental health research, education in developing countries and more.

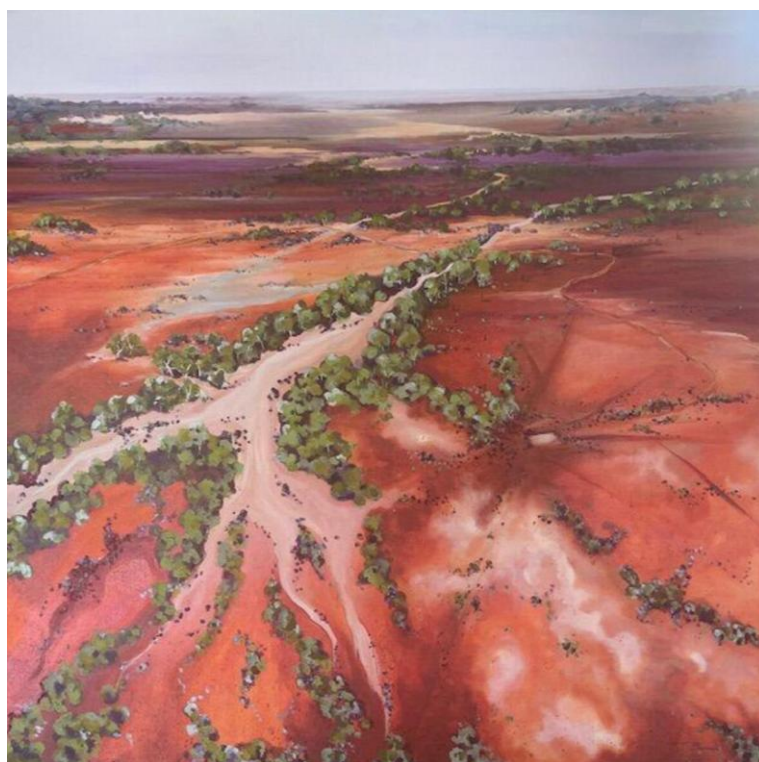

The Show's Opening Night event will be held from 6pm on Friday, 2 October 2026, at St Andrew's School. The event will be hosted by South Australian critic, journalist and actor Peter Goers, with complimentary wine and nibbles. [Tickets are available online.](#)

Community created Stobie pole art brightens Vale Park

New Stobie pole artwork, titled "Through the Prism", has been installed at 15 Fife Street, Vale Park.

This artwork was created with attendees at the Walkerville Comes Alive 2026 in August, with approximately 100 people contributing to the creation.

Artist Travis Cox says the design represents white light shining into a prism and being separated into its component colours. When the beam in this artwork shines through a triangular prism, the light bends (known as refraction) and fans out into red, orange, yellow, green, blue and violet – just like a rainbow!

We think it's a beauty!

Chatty Café next week

Pop down for a cuppa and a chat!

The Walkerville Community Committee will be running its next Chatty Café session on Wednesday. Come to a welcoming space where locals can take a seat at our "Have a Chat" tables, enjoy a cuppa and connect with others. There's no cost, no bookings and no pressure – just drop in and say hello!

10am-11am on Wednesday, 23 September 2026, at The W: Walkerville Recreation Centre.

Walkerville Oval Maintenance

We're getting Walkerville Oval ready for the upcoming cricket season!

Council's annual maintenance program will be undertaken from Monday, 21 September 2026 to Wednesday, 23 September 2026 at Walkerville Oval.

During this period, access to the Oval will be restricted during business hours to ensure safety while specialist equipment is used to core the turf and spread sandy loam across the playing surface.

The coring and top dressing works will ensure the Oval is in the best shape possible to host the 2026/2027 cricket season, which kicks off in October.

The Oval will remain available outside of business hours and will be fully accessible again from Thursday, 24 September 2026.

We're looking forward to cheering on the Walkerville Cats this summer!

Council Elections

Participating in your local Council Elections is your chance to shape your community's future.

Council decisions affect everyday life – from roads, infrastructure and parks to libraries and community services.

In South Australia, the community elects their council members every four years. **The next Council Elections will be held in April 2027** (previously scheduled for November 2026).

Unlike State and Federal elections, it is not compulsory to vote in Council Elections and voting is done by post. Enrolled voters receive a voting pack through the mail and return their votes in a reply-paid envelope.

For more information about the rules for council elections, visit the [Electoral Commission of South Australia's Council elections page](#).

2027 Council Election key dates:

- Voters roll closes – 5pm on Monday, 4 January 2027
- Candidate nominations open – Tuesday, 26 January 2027
- Candidate nominations close – 12pm on Tuesday, 9 February 2027
- Mail out of voting ballot packs – Thursday, 11 March 2027 to Wednesday, 17 March 2027
- Close of voting (polling day) – 5pm on Wednesday, 7 April 2027
- Scrutiny and count – Saturday, 10 April 2027

Between the Stacks

Check out some book reviews from the Walkerville Librarians! Visit the [library catalogue](#) to place a hold on your next read.

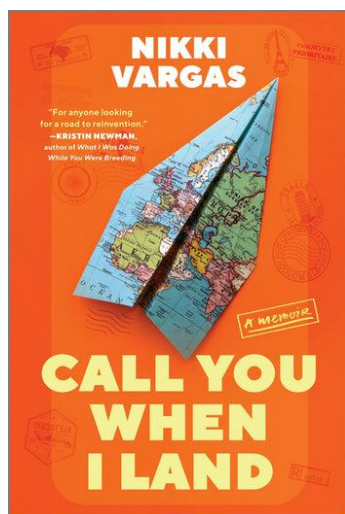

One Hundred Years of Betty by Debra Oswald

I'm not surprised that I really enjoyed *One Hundred Years of Betty*, as author Debra Oswald was also the creator of TV series *Offspring* (I am a diehard Nina Proudman fan!). Betty's story was so interesting and had so much depth, reading about 100 years of her life never dragged. I'd recommend this one to fans of *The Correspondent* and *Remarkably Bright Creatures*.

This Is Me: A Reckoning by Hayden Panettiere

For the first time, Hayden tells her story with honesty and courage, revealing the grief, struggles, and strength behind her journey.

Call You When I Land by Nikki Vargas

A heartfelt and soul-stirring read, with vivid travel descriptions that transported me alongside the author.

Street sweeping helps keep the Township clean

Our street sweeping programs are seasonally adjusted to effectively manage the level of risk relating to street tree litter.

The autumn leaf sweeping program has commenced, in addition to our weekly program. Streets will be assessed week by week from April to July for excessive leaf accumulation. Sweeping will be programmed accordingly in coordination with Council’s contractor to ensure an efficient and responsive service.

While we make every effort to keep our streets clean year-round, you can help out by doing the following:

- avoid sweeping leaves or clippings onto the road; and
- do not park caravans, trailers or boats on the road for extended periods.
