Confidentiality Recommendation (Public)

Pursuant to section 90(2) and 90(3)(d)

Pursuant to section 90(2) of the *Local Government Act 1999* (the **Act**) the Council orders that all members of the public, except the Chief Executive Officer, Andrew MacDonald; Group Manager Assets & Infrastructure, James Kelly; Group Manager Finance, Muhammad Jawad; Group Manager Public Relations, Sarah Spencer; Team Leader, People, Governance & Risk, Jim Dickens, Governance Officer, Yazmin King and Governance Officer (EA), Emma Spencer, be excluded from attendance at the meeting for Agenda Item 18.2. Levi Adelaide Holiday Park Lease – Proposed Amendment.

The Council is satisfied that pursuant to section 90(3)(d) of the Act, the information to be received, discussed, and considered in confidence as the information in relation to this agenda item includes information of a confidential nature (not being a trade secret) the disclosure of which -

(i) could reasonably be expected to prejudice the commercial position of the person who supplied the information, or to confer a commercial advantage on a third party; and
(ii) would, on balance, be contrary to the public interest.

The Council is satisfied, the principle that the meeting be conducted in a place open to the public, has been outweighed by the need to keep the information or discussion confidential.

Officer Recommendation (Confidential)

1. **That Council approves the removal of Clause 51 from the current lease agreement for the Levi Adelaide Holiday Park by means of a Deed of Variation.**

2. **That Council authorises the Mayor and CEO to sign and seal the Deed of Variation as attached to this report.**

Background

The Levi Adelaide Holiday Park is located at 1A Harris Road Vale Park and is comprised of an area of land totalling approximately 27,900m2 contained within Certificate of Title Volume 5874 Folio 181.

RELEASED

Pursuant to Schedule 8 of the Local Government Act 1999 the Park operates as a Caravan and Camping ground all year round and on average caters to approximately 27,500 bookings each year.

In May 2020 the previous Council undertook an Expression of Interest (EOI) process to appoint a new Manager or Management Company to both redevelop and manage the Levi Adelaide Holiday Park. Upon close of the Tender, four (4) submissions were received from Registrants with the lessee at the time (Ryad Hill Pty Ltd) opting not to submit a proposal.

The evaluation panel unanimously scored Across Australia Parks & Resorts Pty Ltd (**Innoviv**) the highest on the basis that:

- their submission would provide the highest rental return to Council.
- they would intend to purchase Council's cabin assets.
- the redevelopment would be undertaken with little cost being borne by Council.
- the primary redevelopment would occur within the first few years of the lease commencing.
- they agreed to regular market reviews occurring during the lease term *(due on 1 December 2025 as per Item 10(c) in the lease agreement provided in Attachment A)*
- they would retain a proportion of the Long-Term Guests.
- the operation of both Vale House and the Gate House would remain as accommodation.

At its meeting on 21 September 2020, Council resolved the following:

CNC126/20-21

1. That Council receives and notes the content of the Levi Caravan Park Tender report;

2. That Council notes the content of the Alienation of Community Land Consultation - Levi Caravan Park report which appeared as Item 16.3.6 (This Council report noted that the local community had not expressed overall opposition to a long-term lease in excess of five (5) years being offered over the site)

3. That Council directs Administration to conduct final negotiations with the Across Australia Parks & Resorts Pty Ltd in order to:

   a. finalise the associated mutually agreed terms and conditions of the new Lease;
   b. negotiate the respective terms and purchase price for the disposal of the Council's cabin assets;
   c. request consideration of the inclusion of a swimming pool

4. That following the conclusion of the successful negotiation, Council enter into a new Lease Agreement with Across Australia Parks & Resorts Pty Ltd (ABN 70 621 588 421) over the whole of the land contained within Certificate of Title Volume 5874 Folio 181 for a term of 42 years;

5. That the commencing annual rent of the Lease be $495,000 (plus GST) (subject to annual CPI increase on the anniversary and a market review every five (5) years);

6. That the Lease Agreement be subject to:

   a. Across Australia Parks & Resorts Pty Ltd undertaking a redevelopment of the Park cabins and facilities in accordance with their Expressions of Interest (WALK047105) and Select Tender (COR001.20/21) submissions;
   b. Across Australia Parks & Resorts Pty Ltd investing capital expenditure to the amount $2,890,000 over a period of three (3) years to complete the aforementioned redevelopment;
   c. a mutually agreed redevelopment milestone timeline *(redevelopment works are addressed in Item 20(d) in the lease agreement provided in Attachment A).*

RELEASED

d. Council reserving the right to cease dealings with the preferred lessee and commence subsequent negotiations with another party should the final negotiation and redevelopment process becomes protracted and/or frustrated;
e. Across Australia Parks & Resorts Pty Ltd being responsible for any/all general repairs and maintenance within the Park;
f. Council retaining full repair and maintenance responsibility for Vale House and the Morten Bay Fig;

7. That the Mayor and Chief Executive Officer be authorised to execute any/all relevant and ancillary documents that pertain to the proposed Lease Agreement between the Across Australia Parks & Resorts Pty Ltd and Council including affixing of the common seal of Council;

8. That Council grants landowners consent for the preferred candidate to proceed with the proposed redevelopment of the land contained within Certificate of Title Volume 5874 Folio 181 (subject to the approval of an associated Development Application).

CARRIED

The lease agreement between The Corporation of the Town of Walkerville and Across Australia Parks & Resorts Pty Ltd (**Innoviv**) was subsequently drafted and executed on 25 November 2020 and is due to expire on 30 November 2032 (together with the rights of renewal set out in Clause 5 of the lease agreement provided in Attachment A).

Discussion

On 13 November 2023, the lessee of the Levi Adelaide Holiday Park advised Administration of an issue relating to Clause 51 of the executed lease agreement, which relates to the potential redevelopment of Council-owned land. The redevelopment clause is shown below:

51. **Redevelopment**

51.1 Notice

(a) If the Lessor proposes to substantially repair, renovate or reconstruct the Premises and the Lessor decides that the work cannot be carried out practicably without vacant possession of the Premises, the Lessor may give the Lessee at least six months' notice terminating this Lease (**Termination Notice**).

(b) The Termination Notice must:

A. detail the plans for the building work; and

B. state the date of termination.

51.2 Termination

(a) After receiving the Termination Notice, the Lessee may terminate this Lease on giving five Business Days' notice.

(b) The Lessee must execute and deliver to the Lessor with its notice those documents listed in clause 51.3(a).

51.3 No Termination

(a) If the Lessee has not exercised its right to terminate this Lease within one month of the expiry date then the Lessee must execute and deliver to the Lessor prior to the expiry date:

A. a surrender of this Lease in registrable form by mutual consent and for no monetary consideration; and

B. the original "Lessee's copy" of this Lease.

(b) All costs except the Lessee's legal costs of surrendering this Lease are to be paid by the Lessor.

RELEASED

The wording of this clause was raised by the lessee's bank who deemed that the current lease is effectively only for six (6) months, resulting in them being unwilling to extend their loan funding, meaning the Lessee's loan would effectively be unsecured.

Administration subsequently sought legal advice from Mellor Olsson Lawyers in relation to this matter to determine what options could be considered, which resulted in two possible options:

1. Remove the redevelopment clause completely; or
2. Vary the clause to provide a longer notice period.

It should be noted that the option of providing a longer notice period relating to potential redevelopment would be less preferable as the parties involved would be unlikely to find a reasonable period that the bank would accept. As such, it was advised in an email from Mellor Olsson Lawyers (refer Attachment B) that the redevelopment clause be removed altogether by means of a Deed of Variation (refer Attachment C).

As per Mellor Olsson Lawyers' email in Attachment B, Clause 51 is a relatively standard redevelopment clause that is included in most commercial lease templates which is often removed at the request of tenants during negotiations. The clause provides the Council with the ability to terminate the lease if it decides to undertake significant works that require vacant possession of the premises, which in this case would mean the Levi Adelaide Holiday Park.

Pursuant to Clause 51, Council has the right to terminate the lease upon six (6) months' notice if it decides to redevelop the premises as described. Mellor Olsson Lawyers note that pursuant to the *Retail and Commercial Leases Act*, (which applies to this lease) any proposed redevelopment must be genuine.

The purpose of this clause is to provide Council with the flexibility to end the lease in the event it seeks to redevelop the Park at any time in the future. This clause is useful in circumstances where a Council is unsure of the future use of certain land and seeks some flexibility in the future to remove a tenant to allow for a new redevelopment proposal. Provided that Council has no intention of redeveloping the Park for any other purpose in the foreseeable future, it is recommended that the clause be removed so that the current Lessee is able to secure their loan with the bank and fulfil their redevelopment of the Park obligations.

Financial Implications

Clause 51 has a significant impact on the 'bankability' of the lease. It is for this reason that the Lessee has requested its removal.

The Lessee is required to pay all cost associated with the proposed removal of Clause 51. There is, therefore, no financial implication to Council.

Risk Implications

Assuming Council has no intention of undertaking redevelopment that requires vacant possession, then removing this clause will have no impact/risk.

Hi Ross

The draft Deed of Variation is attached.

In summary this deed amends the current lease by removing the Redevelopment clause 51.

I have drafted it so that it takes effect from 1 March 2024. This can be changed to suit.

Ramifications of this amendment

Clause 51 is a relatively standard redevelopment clause that is included in most lessor friendly commercial lease templates.

It is a clause that is often removed by agreement at the request of tenants during negotiations.

The redevelopment clause provides the Council in this case with the ability to terminate the lease in the event it decides to '***substantially repair, renovate or reconstruct the Premises and decides that the work cannot be carried out practicably without vacant possession of the Premises'***.

Pursuant to clause 51 the Council can terminate the lease upon 6 months' notice if it decides to redevelop the premises as described. I note that pursuant to the *Retail and Commercial Leases Act* which applies to this lease requires that the proposed redevelopment must be genuine.

The purpose of this clause is to provide Council with the flexibility to end the lease in the event it seeks to redevelop the caravan park at any time in the future. This clause is useful in circumstances where a Council is unsure of the future use of certain land and seeks some flexibility in the future to remove a tenant to allow for a new redevelopment proposal. It is used from time to time for sporting and community facilities especially where significant upgrades or new centres are built.

If Council has no intention of ever undertaking redevelopment that requires vacant possession, then removing this clause will have no impact.

Another important consideration relates to the fact that this clause has a significant impact on

RELEASED

the 'bankability' of the lease. It is for this reason that the lessee has requested its removal. When reviewing the lease (which is an asset capable of being secured against a loan) a Bank or other lender would have concerns with clause 51 because it means long term tenure is not guaranteed. It is for this reason that you do not normally have a redevelopment clause in a commercial lease such as this where the Council benefits from the capital improvements that the lessee may make which ultimately benefit the community.

In the normal course of lease negotiations for a lease of a caravan or tourist park such a clause would usually be removed. I suspect it was missed on this occasion by the lessee.

I am happy to clarify this with you further if required.

Kind regards
