Walkerville Oval redevelopment: community information session

Mayor Elizabeth Fricker is hosting a community information session on the proposed Walkerville Oval redevelopment project. Everyone is welcome to attend the session at 6pm – 7pm, Wednesday 23 October 2019, Walkerville Bowling Club, cnr Church Terrace and Smith Street.

RSVP: tel 08 8342 7100 or walkerville@walkerville.sa.gov.au.

The Town of Walkerville recognises the importance of the Walkerville Oval as a major community asset and has committed $3m in the long term financial plan to enhance the central facilities.

Council is now embarking on a journey to redesign the central buildings and clubrooms to ensure facilities meet the needs of current and future sporting needs whilst being used and accessed for a range of community needs outside of club use. At the same time protecting and enhancing the social, cultural and historical integrity of the site.

This is an exciting project and Council is committed to the project and looks forward to delivering a quality asset for current and future generations of Walkerville.

Brought to you by BirdLife Australia, the nation's premier independent bird conservation organisation.

The #AussieBirdCount is a great way to connect with the birds in your backyard no matter where your backyard happens to be — a suburban backyard, a local park, a patch of bush or the main street of town.

You can count as many times as you like over the week, BirdLife Australia just ask that each count is completed over a 20-minute period between Monday 21 and Sunday 27 October 2019. The data collected assists BirdLife Australia in understanding more about the birds that live where people live.
