The Council is satisfied that, pursuant to section 90(3)(b) of the Act, the information to be received, discussed or considered in relation to this Agenda Item is information the disclosure of which could reasonably be expected to confer a commercial advantage on a person with whom the Council may propose to conduct business and would therefore prejudice the commercial position of the Council.

In addition, Council has further considered that the information would on balance be contrary to the public interest because the disclosure of Council's commercial position may severely prejudice Council's ability to negotiate an outcome for the benefit of the Council and the community in this matter.

The time being 8.07pm the meeting moved into confidence.

The time being 8.09pm Cr Ashby returned to the chamber.
