FROM THE MAYOR OF WALKERVILLE

On 25 April, I had the honour of delivering the keynote address at the ANZAC Day Dawn Ceremony. On that cold and still morning in the Memorial Gardens, I said that the values we celebrate as part of the ANZAC tradition should not be values we ascribe to a bygone era, but values we strive to live up to and qualities we seek in others.

As Mayor, I see evidence of those values in action almost daily. Our annual *Volunteer of the year* awards are a perfect example of how ordinary people are making a world of difference to this community. I was inspired by the compassion and commitment of hundreds of 'unsung' heroes, who have made helping others their life's work. You can read all about the nominees and winners in this issue. Council financially supports various community events – such as the ANZAC Day Dawn Service. However, the volunteer awards presentation was a reminder that many of these community events would not occur without the energy and contribution of our local volunteers. Many volunteers are in for the long-haul. This year, there

Dawn Service

Volunteer of the year awards
L-R Steve Georganas MP, Mayor Fricker, award recipients.

L-R Lyn O'Grady, Margot Vowles OAM, Mayor Fricker, Hon Julie Bishop, Cr MaryLou Bishop, Fiona Raptis, Rebecca Petruccio, Cr Jennifer Joshi

was a tie for the *Volunteer of the year* award. Between them, the 2019 recipients, Jenny Hills and Barbara Fitzsimmons, have dedicated decades of their lives to the community and have only recently stepped down from their respective roles.

In May, the Women of Walkerville Foundation, (of which I am a Chair), held a successful fundraising event in the Walkerville Town Hall. Our special guest, the Hon Julie Bishop, ensured an excellent turnout and we have donated \$2,500 to Catherine House and \$2,500 towards a collaborative graffiti art project developed by Council to empower young people in the community to express themselves creatively.

In May we also consulted on our draft *Urban forest strategy*. I believe, that once endorsed, this will be one of Council's most important strategic documents. This is the first time Council has developed a strategy that focuses on the management of our shared urban forest, on both public, and private, land. This strategy connects with the *Resilient East climate change adaptation plan* and the tree canopy target set out

in *The 30 year plan for Greater Adelaide* which aims to increase our tree canopy cover by 2045. Given our Township is only 3.5 square kilometres, increasing tree canopy on Council owned land only, presents a number of challenges. We need to work with our community, as well as our neighbouring Councils because climate change and the tree canopy doesn't stop at Council boundaries.

As *About town* was going to print, consultation on the draft *2019/20 Annual business plan* was about to close and feedback will be reviewed by the Council at the July Council meeting. As part of the public consultation process a letter was sent to every ratepayer, not only inviting them to submit feedback; but also to provide them with details on the new funded projects, programs and activities that were proposed for 2019/20.

Later this year we will be consulting on the draft *Cemetery memorial policy* which will provide a framework for the future management of the Walkerville Wesleyan

Cemetery at Smith Street, Walkerville. Given the historical significance of the site, we felt it was important that the community was given the opportunity to provide feedback.

As well as this newsletter, there are a number of ways to stay in touch with Council news. You can follow us on Facebook @WalkervilleLibrary or @TownofWalkerville or subscribe to our e-newsletter *The weekly round-up* via www.walkerville.sa.gov.au/subscribe

Finally, I hope you enjoy the new look *Cultivate5081* section. Winter is no excuse to not get out and about and see what is on offer. Council has a range of events and programs that are designed to inspire, teach and entertain. As always, our local community groups are also incredibly active and Council continues to support their endeavours by providing free advertising in this newsletter.

I hope to see you out and about town!

Elizabeth Fricker

Mayor of Walkerville

Making a world of difference: 2019 Volunteer of the year awards

“In our very small corner of the world, volunteers are transforming lives through their compassion. By getting involved in the life of their community they are turning suburbs into caring and active neighbourhoods. By getting involved in something greater than themselves; they are shining a light on social issues that might otherwise have been left in the dark.”

Excerpt from Mayor Fricker's opening address.

On the 22nd May 2019, Mayor Elizabeth Fricker welcomed Steve Georganas MP, Member for Adelaide and Dana Wortley MP, Member for Torrens, to high tea in the Town Hall to celebrate the spirit of volunteering in the Town of Walkerville. More than 100 local volunteers attended the event which is held every year as part of National Volunteer Week. In 2019, the theme for National Volunteer Week was: *Making a world of difference.*

2019 Community event of the year award

Mayor Fricker and Lawn Tennis Club President Rick Underdown

Winner:
100th anniversary of the Walkerville Lawn Tennis Club

The Walkerville Lawn Tennis Club celebrated its 100th anniversary in November 2018 with a well-attended community event. The longevity of this Club owes so much to the commitment of the people who keep it going. The 2018 centenary celebrations were entirely run by volunteers and included a display of memorabilia and vintage

tennis outfits in the Civic and Community Centre.

Note: Council sponsored the 100th anniversary event

Nominee:
2018 Walkerville Miniature Christmas pageant

This is one of the most popular Christmas community events in the Town of Walkerville. For 17 years, Peter Golding and his volunteers have presented this incredible display of miniature Christmas floats. The pageant attracts thousands of people of all ages into the Township and raises money for Telethon.

Note: Council is a sponsor of Walkerville Miniature Christmas Pageant

Nominee: Thrive with age

Thrive with age was a six month program designed to enhance the physical and mental wellbeing of senior

citizens in this community.

Thrive with age was presented by volunteers from the Walkerville Uniting Church. Working together, they delivered a diverse, accessible and coordinated program of events, giving people the tools and support they needed to thrive with age.

Nominee:
2018 Remembrance Day

Held in the Memorial Gardens on Church Terrace, the 2018 service also commemorated the 100th anniversary of the signing of the Armistice in 1918. In 2018, the Walkerville RSL planted 54 crosses in the gardens to honour the 45 World War One fallen from the Walkerville, Gilberton and Medindie districts.

Note: Council is a sponsor of the Remembrance Dawn Service

Certificate of commendation

Local JPs who volunteer with Council three times a week were recognised with a certificate of commendation from the Mayor of Walkerville. JPs provide an important community service. Between June 2017 and July 2018, JPs assisted 1103 individuals.

Certificates were presented to:

Andrew Charlton, Chris Richer (apology), Fred Sampson and Valmai Williams.

L- R, Andrew Charlton, Mayor Fricker, Fred Sampson, Valmai Williams

2019 Young volunteer of the year award

Mayor Fricker, representatives of the First Gilberton Scout Group

Winner:
First Gilberton Scout Group

The First Gilberton Scout Group was recognised for its contribution to the annual ANZAC Day Dawn Service. Each year the group holds an overnight vigil in the Memorial Gardens on Church Terrace.

Standing guard, often in freezing temperatures, these young scouts and their leaders, pay tribute to those who have fallen in service of their country. The group exemplifies the renewed interest in the ANZAC legacy by younger generations, particularly during the 2014-2018 Centenary commemorations.

Note: Council is a sponsor of the ANZAC Day Dawn Service

2019 Volunteer of the year award: dual winners

L-R Mayor Fricker, Jenny Hills, Barbara Fitzsimmons, Steve Georganas MP

Winner: Jenny Hills

Jenny Hills is best known in the community as the President of the Friends of the Walkerville Library. In 2003, Jenny Hills, joined the Friends' Board and has been President since 2005. Under her leadership the Friends has donated more than \$90,000 to the Walkerville Library. Jenny Hills still volunteers in the library on a weekly basis and has also been an active member of Neighbourhood Watch since 2000. Jenny Hills formally stepped down from this role in May 2019.

Winner:
Barbara Fitzsimmons

Barbara Fitzsimmons is a longstanding treasurer for Walkerville Neighbourhood Watch and has tirelessly supported this local organisation. In 2019, Barbara Fitzsimmons retired as Treasurer following an estimated 35 years of volunteer service.

Nominee: Peter Golding

Peter Golding is a past recipient of both the *Volunteer of the year* and the *Community event of the year* award. The Walkerville Miniature Christmas Pageant continues to delight and inspire children and people of all ages.

Nominee:
(Patricia) Anne Marsh

Anne Marsh was nominated for her contribution to community development. Her volunteering includes: serving on the Board

of the Friends of the Walkerville Library and being an active member of St Andrew's Church; assisting in the production of plays for children, managing rosters and leading many social activities.

Nominee: Ziggy Wisniewski

Ziggy Wisniewski has been a member of the Walkerville RSL Sub Branch since 2014 and now serves as its President. He has been nominated for his contribution to the Walkerville RSL and for carrying out his role in "a very professional, exemplary and widely appreciated manner."

Joint nominees:
Deb Duckmanton and Annabel Price

Deb and Annabel are responsible for the Walkerville walking groups, under the auspices of the Town of Walkerville and the Heart Foundation. Walking groups were introduced in November 2017 by the Council as part of its wellbeing program.

Mayor's choice award: Walkerville craft group

The group was established in 2014 and are affectionately known as the 'poppy ladies.'

The group was first created to support the *5000 Poppies project*, which was a national initiative to commemorate the 2014-18 ANZAC Centenary. The group continues to meet and have engaged in many other projects over the years including:

Hats for heroes: knitted beanies to send to soldiers serving in Iraq and Afghanistan, where they sit underneath their helmets to keep them warm during the colder months.

Trauma teddies: knitted and crocheted teddies that are donated to hospitals for children with long term and serious sicknesses and injuries.

L-R Steve Georganas MP, Mayor Fricker, MC Eddie Bannon and the Walkerville Craft Group

Council congratulates the 2019 nominees and winners!

Works about Town

Lansdowne Terrace road and stormwater upgrade, Vale Park

Major infrastructure has been completed, with minor landscaping works ongoing over the coming months. Council officers will continue to monitor the performance of the rain gardens during the winter season to ensure they are functioning as intended.

Linear Park lighting project

The final two stages are set to commence in late July. This will complete the upgrade of all of the primary footpath lighting along the Linear Park. Work is expected to be completed by the end of 2019.

Walkerville Oval entrance statement

Majority of the works were completed in late June with additional fencing works ongoing and expected to be completed in early July.

Street tree program

Plantings are still ongoing with trees being planted throughout July

Levi Oval irrigation upgrade

Works have been completed and irrigation commissioned in preparation for Summer.

Safety audit Robe Terrace service road

As part of Council's ongoing commitment to ensuring our road network continues to meet national standards, Council recently undertook a safety audit of the Robe Terrace service road.

The outcome of this audit has been to identify several blindspots at the entry/exit points along the length of the road. To ensure the landscaping and signage along the Robe Terrace service road complies with the safety and design guidelines set out by Austroads (www.austroads.com.au), remedial works will be carried out in the coming weeks.

In summary, the height of the landscaped mounds will be reduced at the entry/exit points so that the mound graduates downwards towards the road. This will ensure an adequate line of sight for commuters and pedestrians.

In the coming weeks, Council field officers will be pruning or removing vegetation to improve visibility, prior to a contractor undertaking the work of scaling down the mounds at the entry and exit points of the road. In addition, existing give-way signage and line marking will be converted to stop signs.

These works are expected to be completed by mid-July 2019

Council news

Movers and groovers

Daily moves is a new exercise initiative which will be rolled out throughout the eastern region of Adelaide, thanks to a \$590,000 in funding from Sports Australia.

This new program will engage up to 800 participants aged over

65 years, for physical health assessments, personalised exercise plans and provide additional support for people with physical or cognition impairments to participate.

Daily moves is being coordinated by the City of Unley.

Programs will be held within the Town of Walkerville.

If you would like to participate contact Alyssa Hill, Coordinator, *Daily moves* on **8372 5177**

For more information go to unley.sa.gov.au

Light up the Celebration tree

One of the beautiful trees on Mary P Harris Reserve (Walkerville Terrace, opposite the Woolworths Shopping Centre) has been designated a Celebration Tree.

Over the course of the year, the Celebration Tree will be lit up or decorated to mark a special milestone, holiday or national campaign.

Celebration tree schedule:

NAIDOC Week

Tree lighting from
7-14 July 2019

Anniversary of the Apollo Moon landing

Tree lighting from
19-21 July 2019

Daffodil Day

Display and tree lighting
from 19-26 August 2019

Pink Ribbon Day

Display and tree
lighting – October 2019

Remembrance Day White Ribbon Day

Display and tree lighting –
November 2019

Christmas/New year

Display and tree lighting –
December 2019 to early
January 2020

Backpacks 4 SA kids

Walkerville Council is supporting Backpack 4 SA Kids which provides backpacks for infants, children and young adults who are removed from their family, often in traumatic circumstances without the opportunity to take any personal belongings. Children are given an age-appropriate backpack which contains emergency clothing, toiletries and other

necessities for newborns through to young adults (16 years). The aim is to provide a backpack full of useful items for newborn babies, children and young adults, providing reassurance and comfort when they need it most.

Council now has a designated area in the foyer of the Civic and Community Centre where you can leave your donated items.

Donated items should either be brand new, or of good quality and age appropriate.

Suggestions:

- toiletries inc. shampoo and conditioner, soap, tampons
- toothbrush and toothpaste
- hairbrush or comb
- backpacks
- books
- dvds
- blankets
- bibs
- new or good quality used clothing
- new underwear
- new pjs
- toys or games (travel size)

backpacks4sakids.org

Plastic free July

Did you know that almost every piece of plastic ever made is still around? YES even the biodegradable plastic. This is why we're inviting you to take the challenge of going plastic free this July, because positive change starts with you!

There are five ways you can kick the habit and go plastic freenot only in July but all year round.

AVOID

1. AVOID

Plastic bags. it's time to bag the plastic bag! Avoid single use shopping bags and choose reusable shopping bags made from jute, bamboo, cotton or PET instead.

TIP: Store your re-usable enviro bags in your car so that you don't forget them on your next visit to the shops.

Avoid using plastic produce bags for your fruit and vegetables. There are many reusable produce bags now available such as Rethink fresh produce bags, Onya reusable mesh produce bags or ChicoBags. You may even consider making your own. Remember to place them with your reusable shopping bags so they are ready to use again. Some stores are now supplying compostable produce bags in the fruit and vegetable aisle.

Polystyrene foam. Expanded polystyrene (EPS) includes thermal cups, meat trays and packaging. EPS cannot be recycled through kerbside recycling as it breaks up into small pieces and infiltrates other recyclable materials causing contamination.

TIP: Check out the Which Bin website for many ways you can avoid polystyrene.

Individually packaged/wrapped food items. Bring your reusable containers and purchase food from a bulk food store, or the bulk food section at your local supermarket or fruit and veg store. You will save on waste and money too.

Purchasing items with excess packaging. Source items with recyclable or recycled packaging.

Pre-packed meat and fish. Support your local butcher or fishmonger and bring your own reusable container or request cuts to be placed in a compostable bag and wrapped in paper.

Plastic straws. Politely refuse them at the counter and encourage your local café to stop supplying plastic straws or provide alternative paper or even pasta straws. Purchase reusable stainless steel straws and keep one in your bag for when you go out. Like reusable bags, there are compact foldable versions available that can be clipped onto your keyring, such as FinalStraw.

Takeaway coffee cups. Avoid the takeaway queue and treat yourself to a barista-made coffee, served in a warmed ceramic cup. That's what the café experience is all about.

Takeaway plastic cutlery. Use reusable or compostable alternatives made from PLA/corn starch or bamboo.

Plastic takeaway containers. Choose takeaway items that don't come in a plastic container eg. pizza or other cardboard or paper wrapped items that can be composted (if soiled) or recycled (if clean). Don't be embarrassed to take your own containers to your takeaway shop or restaurant to bring home any left-overs. You may just start a trend! Check out trashlesstakeaway.com.au to find out where you can BYO container near you.

Plastic cling wrap. Use reusable containers or beeswax wraps. Making your own beeswax wraps is a great school holiday activity to do with the kids. (Refer to *Cultivate5081* for our plastic free event on the 29 July) .

Using coffee pod machines. Pods are made from plastic and aluminium and are difficult to recycle. It is estimated that 3 million pods end up in landfill every day in Australia. Check out the Which Bin website for more information on how to kick your coffee pod habit.

Bottled soft drink. Save on dentist bills and calories. If you can't do without your bubbly sugary fix in plastic, consider making your own with a Soda Stream or choose soft drinks in cans or glass bottles.

Plastic bin liners. Use newspaper to line your bin instead. There are several instructional videos online on how you can do this. You may also consider using compostable bags instead such as Biobag or Compostapak brands. Beware of biodegradable bags as these are usually still plastic and simply break up into tiny pieces of plastic.

REDUCE

2. REDUCE

Bottled cleaning products. Purchase products from bulk stores using your refillable containers, use soap bars including shampoo bars. Choose products in cardboard, paper or glass packaging which can be recycled.

The amount of things you buy. Make a list and only buy what you really need. Choose durable items made from wood, metal or fabrics made from cotton or wool.

RE-USE

3. REUSE

Use a re-usable, non-disposable coffee cup. Some cafés (check out responsiblecafes.org) offer discounts for using a re-usable takeaway cup.

Use a refillable water bottle. You will be saving a considerable amount of money as well as plastic. Australian consumers pay almost 2000 times more for bottled water than for tap water. (choice.com.au/food-and-drink/drinks/water/articles/bottled-water)

Choose re-usable, washable cleaning wipes instead of disposable wipes.

If you have a young child, become a member of a toy library where you can borrow quality toys and books. Purchase wooden toys instead of plastic.

RECYCLE

4. RECYCLE

Recycle your rigid plastic containers and packaging. Most hard plastics coded 1-7 can be recycled in your yellow lidded recycling bin except for expanded polystyrene foam #6. Check out the Which Bin website for more information about what plastics can and cannot be recycled.

COMPOST

5. COMPOST

Compostable items are made from plant based materials such as corn starch and offer a great alternative to plastic. In order to be classified as compostable they must meet the Australian Standard for compostability AS4736.

Use compostable dog poo bags.

The poo and compostable bag can be placed into your green lidded food and garden organics/FOGO bin. Beware of biodegradable or oxo-degradable bags as these are usually still plastic and simply break up into tiny pieces of plastic. Biodegradable or oxo-degradable bags must be placed in the waste to landfill bin.

Use newspaper to wrap your pet poo before placing it in your green lidded food and garden organics/FOGO bin.

Use compostable bin liners. These are commonly used to line kitchen caddy/ food scrap baskets and are available through most local Councils. You can also purchase them through some supermarkets. Look for the Biobag brand available in some stores, with different sizes available. Compostable bags are also available online through Biobag and Compost-a-pak.

Use compostable takeaway food containers, plates and cutlery.

There are lots of options now available made from bamboo, recycled paper and corn starch. These are available at most supermarkets and online through Eco Party Box, Biopak, and Vegware. These items (along with any left over food) can be placed in your green lidded food and garden organics/FOGO bin.

Council thanks East Waste for this article on plastic free July.

Walkerville Wesleyan Cemetery *The legacy continues*

Behind the white picket fence along Smith Street is one
of Adelaide's earliest village cemeteries.

Established in 1849, the Walkerville Wesleyan
Cemetery is a site of historical significance as well as an
oasis of remembrance and reflection.

Memorial sites for the interment of cremated remains are still
available at the cemetery. For an interim period, Council has
engaged the Adelaide Cemeteries Authority to manage these
sites on their behalf. Council will call for an EOI later this year.

In the meantime, all enquiries to the
Adelaide Cemeteries Authority:
tel (08) 8139 7400 or enquiry@aca.sa.gov.au

Walkerville Town Hall

Suitable for ages 5+
\$2 per person

Bookings essential:
8342 7100 or
circustow.eventbrite.com.au

Children's author talk: To rhyme or not to rhyme?

South Australian poet Kristin Martin writes for children and adults. She lives in South Australia in a house sort-of-near the sea with her husband, two sons, three turtles, four goldfish, five spiny leaf insects and a canary called Stephen Fly.

In this author talk for children, Kristin Martin will present an interactive session inspired by her latest poetry collection, *To rhyme or not to rhyme?* Kristin will share her love of nature and sense of fun, and invite children to join in acting out the poems, stamping out the rhythm, predicting the rhymes and discussing how the poems create pictures in your heads. The session is aimed at primary school children.

Kristin's poetry is also published on her website, kristinmartin.net, which is an accredited Children's University destination.

Books will be available to purchase on the day for \$20. Kristin will be available after the session to sign books and answer questions.

FREE craft program after the reading.

10am, Wednesday 17 July
Walkerville Town Hall

FREE Suitable for ages 5+

The nourishing table

This is a free community event designed to feed and nourish the soul and bring different generations together, especially seniors and people that may be socially isolated or vulnerable. Students from Vale Park Primary School will prepare and

serve a shared meal in the Walkerville Town Hall. Please bring along a written copy of your favourite recipe to include in our first ever community recipe book.

Places are limited and preference will be given to CHSP clients and residents of Walkerville

Nourishing table gatherings will be held on the following dates:

Tuesdays
11am – 12.30pm:

23 July

6 August

3 September

24 September

Bookings essential:
ntable.eventbrite.com.au
or 8342 7100.

Plastic free July

East Waste presents a community information session on how to avoid, reduce, reuse, recycle and compost. Demystify once and for all what goes in which bin and how to make more sustainable choices.

Learn where to find bulk food shops in Adelaide, what plastics can, or can't, be recycled and the difference between biodegradable and compostable bags.

A highlight of this event is a beeswax wrap making demonstration – everyone will have the chance to make

CHOOSE TO REFUSE
SINGLE USE PLASTIC
PLASTICFREEJULY.ORG

and take home their own beeswax wraps to use at home.

6.30pm Monday 29 July

Tip of the iceberg

When it comes to understanding the impact of single-use plastics on our planet – what we see is just the tip of the iceberg.

Walkerville Council, East Waste and Adelaide University are joining forces to create an arts installation called *Tip of the iceberg* for the 2019 South Australian Living Artist Festival.

Using single-use plastics collected from local schools and shops, this project examines our reliance on single-use plastics through the creative lens. Supported by a community-driven 'reduce/avoid' education program.

Tip of the iceberg will be on display in the Civic and Community Centre in August.

Introduction to meditation with Australian School of Meditation and Yoga

Mindfulness and meditation enable us to calm our mind, relax our body, and ease away stress and tension which improves both our physical and mental wellbeing. The practice of meditation also helps a person to develop clarity and wisdom, gaining a greater understanding of life. Learn some simple, easy to apply, and effective mindfulness and meditation practices to achieve a deeper sense of peace in your daily life. Please bring your own cushion.
