FROM THE MAYOR OF WALKERVILLE

In life, the many twists and turns of the unexpected are what change our thought processes and shape our decision-making abilities. It is during these times that checklists and tick boxes help us to remain on track in a world of disorder.

Planning for this financial year during COVID-19 was no exception.

With a new budget, comes a new set of goals and responsibilities. A set of those handy tick boxes, as you will, that we aim to achieve over the forthcoming 12 months. When preparing for the 2021/22 Annual Business Plan, I sat there and made a list of the key elements I wanted to see included to assist the Township in its recovery from the effects of COVID-19 and help reignite our community spirit.

At the end of the day, achieving any desired outcome draws back to the initial stages of planning: the list phase – and at the top of mine during the

budget was a rate rise that remained under CPI and in line with our *Financial Guiding Principles*. We had to readjust projects and reconsider operational expenditure to keep it at 1.91% – which may I add, includes growth – but it worked. Council endorsed its 2021/22 Annual Business Plan at its 19 July 2021 Ordinary Meeting. We received a record number of responses during consultation – 237, compared to 21 in 2020 and 11 in 2019. I thank our community for taking the time to fill in our surveys as this truly helps Council in understanding what is important to you.

When you review our new budget, and I highly recommend you do, you will see we have a wealth of new developments and exciting initiatives. I can assure you that although many projects are in their infancy, there is a lot of work happening behind the scenes. I think this promises to be the most exciting year yet under my leadership as Mayor. I am delighted about the thought of the new sports and community hub at Walkerville Oval. I believe this will become the heart of activity for our

Township and I look forward to seeing the many ages, demographics and clubs of our community find it of benefit. We have received \$4 million from the State Government as part of the Local Government Infrastructure Partnership Program, which will allow this vision to come to life, and we will contribute a matching \$4 million.

In addition, we have other exciting new redevelopments in the Council district, which I have no doubt will go a long way in improving the Town for our residents. I am pleased to confirm the Hamilton Reserve Rejuvenation Project is under full swing and we are beginning the upgrade of the eastern end of Levi Park, including a shipwreck-themed playground linking to the history of the boat our early settlers arrived on. Both of these developments will provide a greater use of open public spaces, with the inclusion of a table tennis table, nature play areas and picnic spaces. I look forward to seeing our community out and about as we share these areas for family catch ups and barbecue gatherings with friends. We are also in the

midst of the reactivation of key strategic sites, including Levi Caravan Park with its new lessee and redevelopment, which I am sure will bring new tourism opportunities and travellers to the area.

While the past quarter has involved a focus on the future, I also had the pleasure of being invited to some key community events. In May, I attended the Gilberton Amateur Swimming Club's time capsule event. It is quite a feat for a swim club to survive 100 years without a pool, however, they managed to do just that. The club's history was buried in a time capsule in the Jervis Entrance archway along the River Torrens, off Severn Street.

Although I may not be around, it is hoped the capsule will be retrieved on 17 February 2065 for the club's 150th anniversary.

In June, I attended Propel SA's State Business Breakfast at Norwood Football Club. I gained valuable insights and insider tips from the Minister for Innovation and Skills Hon. David Pisoni MP, South Australian Government Financing Authority General Manager Anna Hughes, Small Business Commissioner John Chapman and Deloitte Access Economics Partner Aaron Hill. It made me proud to be a supporter of Propel SA and know that the Town of Walkerville is contributing to providing local businesses with access to the State's

leaders. For those of you who are not aware, Propel SA supports small businesses by providing business advice, networking events and mentoring services. The Town of Walkerville is a proud supporter and funding partner of Propel SA and sits on the Board representing the Township's small business community.

Speaking of events, I am excited about attending our Walkervillage Christmas Fair on 20 November 2021, particularly considering the forced closure last year as a result of COVID-19. It will be wonderful to have the opportunity to mingle with each of you and hear about your experiences over the past year and your goals for the next.

I look forward to continuing to work together and seeing the great work both Council and the community achieve this financial year.

Stay safe.

Funds raised go to the WOW Foundation charities.

What began as a story about South Australians on the Somme has become a prism illuminating the lives of little known and generally forgotten women with extraordinary reach and impact. These astounding women include a mining mogul, theatre impresario, hero of National Commission for Women, President of the Indian National Congress, famous strike leader, acclaimed artist and founder of the

Budget snapshot 2021/22

The Annual Business Plan shapes how Council will provide services, undertake works and manage community assets.

The 2021/22 Budget ensures the Town of Walkerville maintains its existing standards, while completing a range of new projects.

Key projects 2021/22

\$8 million Walkerville Oval Redevelopment

\$1 million in 2021/22 to start construction on a sports and community hub (remaining funds to be spent over subsequent financial years). In total, Council will contribute \$4 million towards the project and will receive a matching contribution of \$4 million from the State Government as part of the Local Government Infrastructure Partnership Program.

Levi Park Upgrade

\$300,000 for a revamped eastern end with a new playground, barbecue area, timber decking, drinking fountain and landscaping.

Alfred Street Road and Streetscape Project

\$290,000 to improve vehicle movements, pedestrian safety by creating a one-way street, lowering the speed limit and increasing roadside vegetation.

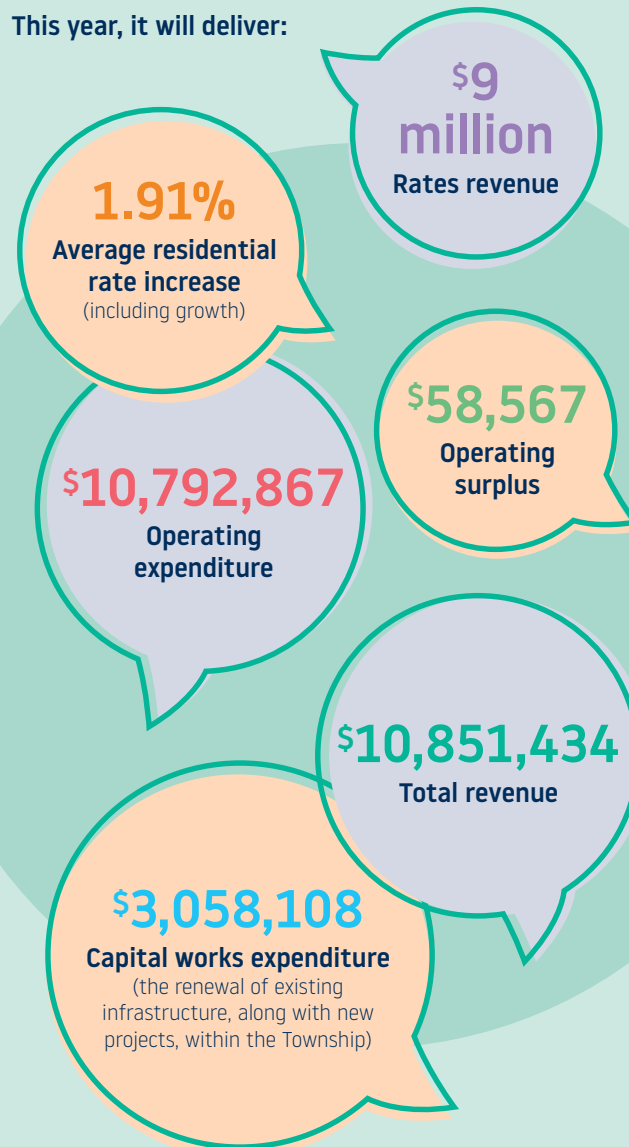

Christmas Fair

\$45,000 for the reintroduction of one of the Township's most popular community events.

Local Area Traffic Management Plan

\$25,000 to undertake traffic surveys and implement plans to improve transport issues. For more details, read the “Works about Town” section.

This year, it will deliver:

Payment of rates

Council has determined that the payment of all rates can be either by full payment or by quarterly instalments due and payable on the following dates:

1st payment:
13 September 2021

2nd payment:
13 December 2021

3rd payment:
13 March 2022

4th payment:
13 June 2022

Excuse me... Have you registered your pets?

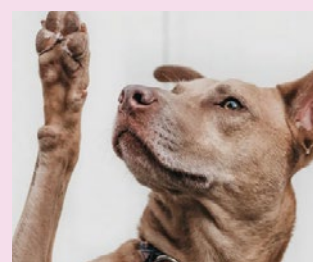

It is registration time – please ensure you have registered your dogs and cats by 31 August 2021 to avoid a late payment fee.

In South Australia, cat microchipping and desexing is mandatory and owners must register this information at Dogs and Cats Online.

How do I register my dog or cat?

- Go to www.dogsandcats.online.com.au
- Select register
- Select register my new animal
- Enter microchip number, desexing ID or transfer code and your surname.
If you have not been given these details, select unknown.
- Check if you have an account—if so, select it and proceed without logging in, or continue as a new owner
- Ensure your details are correct
- Complete registration and pay any applicable fee.

If you have any difficulties, contact our Customer Experience Team on 8342 7100.

WIN A CAT PAMPER PACK

The Dog and Cat Management Board have introduced a new campaign where they will be offering a prize draw to cat owners who register their cat's microchip details.

When you register your cat's microchip, you have the chance to win a \$70 voucher to spend in store or online at RSPCA Petville. The campaign

runs until 30 November 2021 or until all prizes are won.

You can register your cat by its microchip number which your breeder, shelter, vet or previous owner gives you. They will create the record, however, you will need to complete it with your personal details.

To enter, visit <https://dogandcatboard.com.au>

COUNCIL NEWS

Levi Caravan Park redevelopment

A swimming pool and new disability-friendly cabins are part of the plan to redevelop Levi Caravan Park into a prime part of the Town of Walkerville in order to increase patronage and tourism opportunities within the district.

The new lessee of the Levi Adelaide Holiday Park – Across Australia Parks & Resorts Pty Ltd – is in the process of undertaking a multi-million dollar upgrade of the park. The redevelopment will be done in stages and will include a swimming pool, and upgraded

cabin accommodation and facilities.

Works of the swimming pool have already commenced and the replacement of the cabins will occur over the coming months with an expected completion in early 2022.

Rezoning of key sites

The State Government is considering the rezoning of the Buckingham Arms Hotel and Scotty's Corner. The applicants of each proposal have submitted Code Amendments to the Minister for Planning and Local Government, Vickie Chapman MP. Therefore, Council is not the decision maker for these proposals.

Gilberton Code Amendment

On 1 July 2021, Minister Chapman approved a proposal to initiate a Code Amendment over 1 Walkerville Terrace Gilberton, which is sought by Pierce Matthews Pty Ltd.

The proposal seeks to rezone approximately 6,200sqm of land adjacent Walkerville Terrace and Northcote Terrace from Local Activity Centre Zone to Urban Corridor Zone (Living) Zone. The zoning change could support a future mixed use development on the site consisting of ground level commercial development and medium density residential above.

The existing Local Activity Centre Zone allows a maximum building height of three storeys. The Code Amendment seeks a maximum building height of six storeys, medium residential density between 35-70 dwellings per hectare and no minimum setbacks from Northcote Terrace, Walkerville Terrace and Robe Terrace, in order to encourage streetscape activation.

At the time of printing *About Town*, consultation on the Gilberton Code Amendment had not been released.

Scotty's Corner Code Amendment

The Code Amendment for 1-5 Nottage Terrace and 43 Main North Road, Medindie, seeks to change the zoning of the site from Suburban Business Zone and Established Neighbourhood Zone to the Urban Corridor (Business) Zone.

Under the planned Zone, a future proposal could accommodate a mixed use development of up to seven building levels. Minister Chapman approved the proposal to initiate the Code Amendment over the site, which is approximately 7,300sqm, from YS Super Investments Pty Ltd, on behalf of Future Urban Group, on 22 April 2021.

Consultation on Scotty's Corner Code Amendment is open until 5pm on Sunday 19 September 2021.

For more information on both of these Code Amendments, please visit www.walkerville.sa.gov.au/community/latest-news and to stay updated with the consultation process, please follow the State Government website

A copy of the Engagement Plan and draft Code Amendment can be inspected by visiting plan.sa.gov.au/have_your_say/general_consultations

A public meeting will be facilitated by Future Urban Group at the Walkerville RSL, 98 Walkerville Terrace, Walkerville, 6pm Wednesday 8 September 2021.

Registrations for the public are essential and can be made via Eventbrite by visiting <https://bit.ly/3fAt1QD>

Due to COVID-19, the public meeting is subject to change.

For more information, contact Emily Nankivell of Future Urban Group on 8221 5511 or via email at info@futureurban.com.au

Council encourages any members of the community who are concerned with the introduction of these Code Amendments, to submit their planning concerns in writing during the official consultation period.

Savings through solar

Council's solar panels are generating almost half of the energy required to run its offices.

As part of the 2019/20 Capital Projects budgeting process, the Town of Walkerville installed solar panels on the Community and Civic Centre roof in an attempt to offset some of the building's electricity costs. The installation of the Solar Panel Management System (SPMS) was

completed in June 2020 and delivered under budget with a final total cost of \$70,599.50.

One full year since the SPMS installation, between 1 July 2020 and 30 June 2021, the SPMS has:

- **Generated 41.54% of the Civic Centre's energy requirements** and
- **Delivered a total saving of \$20,363.52, representing a saving**

of 44.80% of the Civic Centre's total electricity costs from the previous year.

The SPMS also indicates that since the installation of the system, Council has reduced its Carbon Emissions by 32,278.65 kg, which is the equivalent to 963.42 trees planted.

Council on the Ageing SA

COTA SA is calling on Town of Walkerville residents over the age of 50 to share their story and help improve everyday life for South Australians.

The Plug-in, an initiative of COTA SA, is undertaking a survey into the impacts of major events and social changes on older residents in the State. The findings will be used to develop guiding principles for programs that support communities through these changes.

Complete the survey at theplugin.com.au/projects/navigating-major-social-and-environmental-change/ or by phoning the Plug-in on 08 8232 0422 Monday to Thursday in business hours. Survey closes 6 September 2021.

Works about Town

Traffic plans

Following the first stage of a new 3-hour Parking Permit Zone within parts of Gilberton and Medindie, which commenced on 1 July 2021, Council will be looking at a number of other locations across the Township where all-day parking is an issue for local residents. Areas of particular interest are around the business district of Walkerville and also sections of Medindie.

Other traffic investigatory work will include monitoring and investigations across the five schools in the Township, with a particular focus on parking and pedestrian safety. Administration will also be undertaking a number of vehicle and pedestrian counts across the Town to monitor any potential issues on local streets, as well as our major activity centres.

In addition, Council will be investigating a number of streets in Vale Park, including Evelyn and Clisby Street, regarding cut through traffic. Streets around Vale Park Primary School will also be looked at, including Arundel Street and Tonkin Street, to monitor and identify parking issues around school pick-up times.

Tennis court resurfacing

Council's three tennis sites across Town – Willow Bend, Levi Park and Gilbert Street – are receiving new surfaces,

netting and line marking in September 2021.

Works will include a new blue acrylic surface to meet current play standards, as well as a basketball ring for the Willow Bend site. Levi Park will also receive netball and basketball provisions.

All courts are likely to be closed for approximately two weeks while these works are occurring. Asphalt was laid in early August. The new acrylic surfaces and line marking are scheduled to commence from this week.

Levi Park

A table tennis table, picnic area, barbecue and new fenced enclosure are now available to the community as part of a completed upgrade at the western end of Levi Park.

Nestled at the corner of Vale Street and Lansdowne Terrace in Vale Park, this once vacant, dry section of Levi Oval is now a vibrant and engaging green space for our community to relax in and gather with family and friends. Opened earlier this month, the Levi Park upgrade includes irrigated turf, mature almond trees and ground covers.

The Town of Walkerville project team created the vision and assisted in the completion of this unique project. Council's contractor LCS Landscapes made the vision for the site a reality with their experience and high quality delivery.

The story of "The Three Ducks" has been stamped in time to pay tribute to the Township's history.

As part of the Levi Park upgrade, duck feet can be found throughout the reserve in remembrance of the daughters of Philip Levi, who was an early settler and pastoralist of South Australia. In 1853, Levi purchased Vale House and the surrounding land, which his family occupied for 97 years. In their youth, Levi's daughters would often be seen following their mother in single file as they walked around the local streets, which earned them the nickname of "The Three Ducks". Council's Group Leader

Landscape Design & Beautification Services created unique duck imprints in the concreted areas of the park. The duck stamp was welded together by a Council Civil and Urban Services team member.

Levi Park The story of Eden

A shipwreck-themed playground linking to the history of the boat our early settlers arrived on is planned as part of an upgrade to the eastern end of Levi Park.

Designs are based on the Levi family, who the park is named after, and the ship they first arrived on

when moving to South Australia – the Eden.

Council's Beautification Team is currently working on finalising concepts for the area, which will also include a range of trees, shrubs and landscaping.

Community consultation will occur once designs are finalised, however, a snapshot of the proposed concept can be seen above.

Hamilton Reserve A lapse in time

The much anticipated Hamilton Reserve Rejuvenation Project is underway, which includes the construction of picnic and barbecue areas, nature play spaces, a cycling track and toilet facilities.

The project creates defined areas by intensifying plantings to create distinct activity spaces, identifying natural pedestrian routes that connect residential areas through to the River Torrens and formalising natural surface materials for prime usage.

To capture the progress of the project throughout construction, Council has

arranged the installation of a time lapse camera (installation of the camera shown below). A full time lapse video will be shared upon project completion, which is expected in October.

Council acknowledges the Government of South Australia for its contribution of \$319,825 towards the project as part of the 2020/21 Open Space and Places for People Grant Program.

Walkerville Mayor Elizabeth Fricker and CEO Kiki Cristol dropping their unused phones in Council's DV Safe Phone collection box.

DV Safe Phone

Council wishes to thank the community for its donations as part of the Domestic Violence (DV) Safe Phone Program.

The initiative provides domestic violence victims with a secondary 'safe' phone they can hide in case they need to contact emergency services.

As part of Council's White Ribbon commitment, the Town of Walkerville

partnered with the program and became an official phone collection point in January 2021.

As of July 2021, more than 40 mobile phones had been donated.

If you have an old working mobile phone, please drop it to the Civic and Community Centre.

For more information, visit dvsafephone.com.au

COMMUNITY NOTICEBOARD

Pleasant Sunday film afternoon

Walkerville Rotary Club presents Pleasant Sunday Afternoon Concerts for the community – however, for the first time, they will be showing a movie. Come along to the Walkerville Town Hall to enjoy a special screening of **The Second Best Exotic Marigold Hotel**, followed by afternoon tea and cakes.

2.15pm, Sunday, 12 September 2021, 66 Walkerville Tce, Gilberton. **Gold coin donation.** For more information, contact Peter Sowden on 0402 491 255.

Walkerville Uniting Church

All activities are at 17 Smith Street, Walkerville

Playgroup @ Walkerville UC

Author talk with Danielle Clode

Danielle, zoologist and natural history writer will discuss how she came to be a writer and the inspiration that drives her books. She follows the journey of her books from her childhood living on a boat, through her early working life in museums and zoos.

Danielle will explore how a sense of place and belonging permeates her work and how many of her books are driven by a need to engage with her environment and community.

Walkerville Library
Children aged 7+ **FREE**
Drop in session, no bookings required.

Whiteboard Animation workshop

GooRoo's Whiteboard Animation workshops show kids how to turn their drawings into movies. Using whiteboards is a quick and easy way to create 2D animation, and works great

as a basic introduction to the technique.

Children will create their own drawn animated sequence, captured with the Stop Motion Studio app.

**1pm – 3pm Monday
27 September 2021**

1855 Room
Children aged 8-13
\$25 per child

Exhibition

Remarkable – stories of Australians and their boats

Australia's history is populated with maritime related stories. With over 1,000 rivers and a coast that stretches for more than 36,000 kilometres, it is no surprise that Australia abounds with stories of people who have lived and worked on the water. This exhibition presents some of those stories, exploring the remarkable connections between people and their boats.

Remarkable, created by the Australian Maritime Museums Council and the Australian National Maritime Museum, provides an opportunity for audiences to learn national and local stories.

Saturday Sing Soirée

From pro-singers and opera divas to car hummers and shower songbirds – Walkerville meets Pitch Perfect in this special sing along.

Whether you love singing but feel a touch tone deaf, or you're a regular songstress, come and vocalise at this special Saturday Sing Soirée. All are welcome, so bring your melodist mates and come and learn a pop song. Guaranteed to warm up your vocal chords and make your heart sing!

Led by singer, vocal educator and choral conductor Morgan Bramble, you're in for a hymn of a time. Keep calm and sing on!

**7.15pm – 9pm Saturday
16 October 2021**

Walkerville Town Hall
\$15 per person (includes alcoholic drink and snacks on arrival).

Movie Matinee: Rams

In remote Western Australia, two estranged brothers, Colin (Sam Neill) and Les (Michael Caton), are at war. Raising separate flocks of sheep descended from their family's prized bloodline, the two men work side by side yet are worlds apart. When Les's prize ram is diagnosed with a rare and lethal illness, authorities order a purge of every sheep in the valley.

While Colin attempts to stealthily outwit the powers that be, Les opts for angry defiance. But can the warring brothers set aside their differences and have a chance to reunite their family, save their herd, and bring their community back together? Join us for this movie matinee, light refreshments will be provided.

Rating: PG
Genre: Drama
Duration: 115 minutes 

**10.30am – 12.30pm
Thursday
21 October 2021**

Native bees in your backyard workshop

Join Jenny Deans for this **family-friendly workshop** to learn about the many varieties of native bees and how to attract them to your garden. Explore the special role of these fascinating creatures in our environment.

Make a "bee hotel" and take home three native bee "restaurant" plants to feed native bees in your garden. 

Event suitable for adults and families (children aged 5+ with accompanying adult). Each \$5 booking includes one "bee hotel" and set of plants. If families want to have an additional set of plants and hotel, please purchase another \$5 ticket.

Jenny Deans from Cosmophylla Garden Services and Advice is a passionate gardener and land carer with a love for exploring the wonders of the natural world with children.

This event is supported by Green Adelaide.

**10am – 12pm Saturday
30 October 2021**

Walkerville Town Hall
\$5 per booking

National recycling week information session

To celebrate National Recycling Week, join us for this free information session and virtual tour of NAWMA's recycling facility. Have you ever wondered...

- What happens to recyclable materials collected from kerbside?
- What can and can't be recycled in the

yellow bin and how to recycle correctly?

- What do the recycling numbers mean?
- The main contaminants and why they need to be left out.
- Additional recycling services offered through Council.
- Alternative options for recycling materials eg. electrical items.

This year's theme for National Recycling week is "Recovery - A future beyond the bin" 

**6pm – 8pm
Monday
8 November 2021**

Author talk with Fiona McIntosh

Fiona McIntosh is an internationally bestselling author of novels for adults and children. She co-founded an award-winning travel magazine with her husband, which they ran for 15 years while raising their twin sons before she became a full-time author. Fiona also runs a series of highly respected fiction masterclasses.

Join local South Australian Fiona as she discusses the highly anticipated new historical adventure *The Spy's Wife*. Evie, a widow and stationmaster's

daughter, can't help but look out for the visit of the handsome man she calls the Southerner on their train platform. When polite salutations shift to friendly conversations, they become captivated. From the windswept moors of the Yorkshire dales to the noisy beer halls of Munich and grand country estates in the picture-book Bavarian mountains, this lively and high-stakes thriller will keep you second-guessing until the very end.

Drink and light refreshment on arrival.
