International mosaic artwork unveiled in Walkerville

Walkerville's Church Terrace now hosts a remarkable new addition to Adelaide's public art landscape – a mosaic-adorned Stobie pole featuring works by artists spanning three continents.

The installation showcases eight distinctive roundel mosaics, each crafted by different artists participating in the "Common Unity Wild at Heart" project, coordinated by the Mosaic Association of Australia and New Zealand (MAANZ). Contributors include mosaicists from regional South Australia, Queensland, Victoria, the United Kingdom, and the United States, with the unifying background co-created by local mosaic artist Travis Cox and artists from Sedan, Keyneton, and Angaston.

This collaborative artwork demonstrates the global reach of mosaic art, while celebrating local craftsmanship. Similar installations can be found throughout metropolitan Adelaide including Norwood, Bowden, Campbelltown, Gawler, Hahndorf, and Prospect.

The project brought together the talents of Di Crea, Aaron Cox, Diane Marshall, Marianne and Vanessa Cohn, Enid Probst, Eva Turek-Jewkes, Jane Martin, and Chery Roether for the roundels, and five South Australian mosaicists co-created the background to bring them together.

Location: Church Terrace, Walkerville

ANZAC Day Dawn Service

Come along to the ANZAC Day Dawn Service in Walkerville on 25 April 2026.

The Walkerville RSL will be holding a service which includes a speech from Walkerville Mayor, Melissa Jones.

All are welcome to come and pay their respects to past and present soldiers.

This Dawn Service marks the 111th anniversary of the landings in ANZAC Cove. The service is jointly presented by Walkerville RSL and Town of Walkerville.

Arrive at 6am for a 6.15am start.
Saturday, 25 April 2026, Memorial Rose Garden on Church Terrace, Walkerville.

For the first time, the service will also be livestreamed at Walkerville Oval on Smith Street, Walkerville. Bring along your camping chair, picnic blanket, and a thermos to watch the service unfold live on the scoreboard.

The service will be followed by a gunfire breakfast at the Walkerville RSL Clubrooms on Walkerville Terrace from 7am, catered by the Rotary Club of Walkerville. The gunfire breakfast is open to all.

Did you know?

Street tree pruning and management: in addition to the trees in our parks and reserves, Council manages 4,789 street trees across the Town of Walkerville. Each tree is individually recorded and managed through Council's Forestreet system.

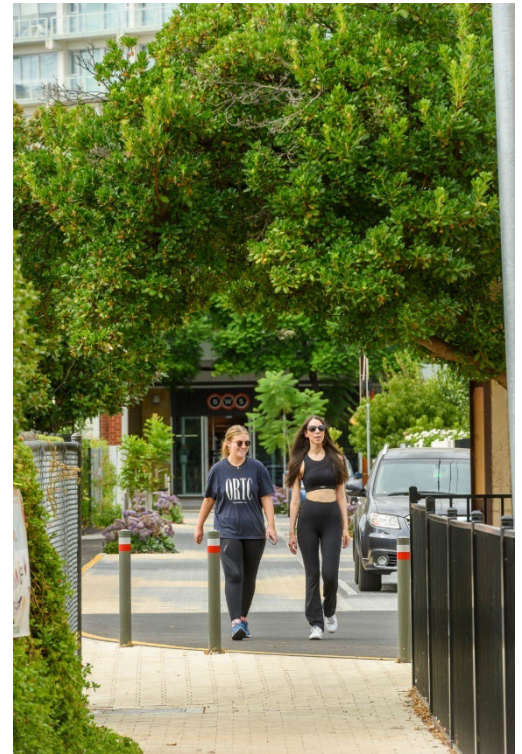

The system stores information on each tree, including:

- maintenance records, including pruning works;
- tree health assessments; and
- regular photographic records.

Why we prune trees

Maintenance pruning of trees plays an important role in:

- maintaining structural stability;
- reducing safety risks; and
- extending the life expectancy of our street trees.

All of Council's street tree pruning is carried out by qualified arborists, in line with Australian Standard AS 4373-2007 – Pruning of Amenity Trees. Our approach is to allow trees to develop a natural form, pruning only what is necessary and always in a way that avoids harm to the tree.

Illegal pruning of Council trees

Under the *Local Government Act 1999*, members of the public are not permitted to prune, alter or damage trees located on Council land. Unauthorised or illegal pruning can cause serious and long-term damage, including:

- distorted growth and structure;
- reduced tree health and lifespan; and
- unsafe balance or form.

If you have concerns about a Council-owned tree, please contact Council so it can be assessed appropriately.

What Council does not prune

Council will **not** prune or remove trees to:

- reduce leaf, fruit, or debris fall;
- remove birds or other wildlife;
- improve views;
- protect parked vehicles;
- increase sunlight to lawns or gardens;
- improve visibility of private signage;
- increase street lighting on private property; or
- manage possums or other wildlife.

Trees near low-voltage power lines

Vegetation management around low-voltage powerlines is the responsibility of SA Power Networks (SAPN), as required by legislation. Council does not undertake this work. Inspections and pruning are carried out by SAPN and their authorised contractors to ensure community safety and a reliable electricity supply.

For enquiries, contact SAPN at customerservice@sapowernetworks.com.au

Trees overhanging the O-Bahn easement

Trees located within or overhanging the O-Bahn easement are the responsibility of the Department for Infrastructure and Transport (DIT). Council is not permitted to enter the easement area. Requests for boundary pruning should be directed to DIT www.dit.sa.gov.au

ANZAC display

Until ANZAC Day on Saturday, 25 April 2026, Town of Walkerville has an ANZAC Day display in the foyer of the Civic & Community Centre.

"They shall grow not old, as we that are left grow old.

Age shall not weary them, nor the years condemn.

At the going down of the sun and in the morning.

We will remember them."

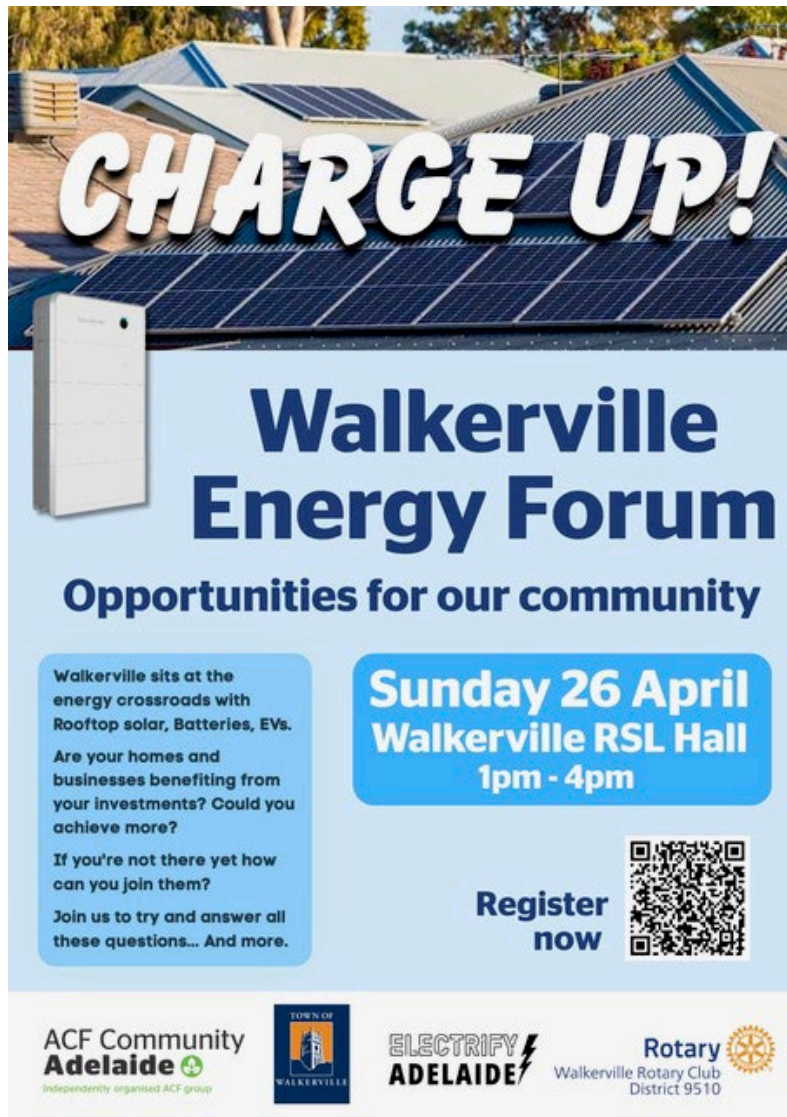

An excerpt from the poem *'For the Fallen'* by Laurence Binyon.

The display features a wreath, knitted by the Walkerville Knitting Group, rosemary bushes, and an Australian Army slouch hat on loan from the Walkerville RSL.

Be sure to check out our display if you visit Council.

Walkerville Energy Forum

You're invited to join the Walkerville Charge Up Energy Forum on Sunday, 26 April 2026, at the Walkerville RSL.

Walkerville, Australia and the world sit at an energy crossroads. Many businesses and home rooftops are replete with solar panels, and now battery installations complement these systems. Electric vehicles are increasingly noticeable on our streets and in our carparks.

The Walkerville Charge Up Forum will endeavor to answer key questions about our changing energy system.

Volunteers needed

The Rotary Club of Walkerville is seeking volunteers to assist with assembling 1,200 birthing kits for expectant mothers in developing countries for their Birthing Kit Assembly Afternoon on Sunday, 3 May 2026.

This year the Birthing Kit Foundation Australia (BKFA) is celebrating 20 years and in recognition of this milestone, has set a goal of packing 20,000 kits across the country during May 2026. To assist BKFA reach this goal, Rotary has increased the number of kits to be assembled from 800 to 1,200.

The kits are distributed to women living in rural communities and low-resource settings around the world. Last year, the kits were sent to the Democratic Republic of Congo, Pakistan, Papua New Guinea and Zambia.

Expectant mothers will receive important supplies that will help them have a sanitary birth.

As supplies and medical support can be limited in developing countries, resources from the birthing kit can help reduce infection.

The finished kits will be sent to BKFA who distribute them overseas.

The assembly day will take place on Sunday, 3 May 2026, in the Walkerville Town Hall from 1pm–4pm.

To register your interest for the Birthing Kit Assembly Afternoon, please contact Jude via email judeann58@gmail.com or 0410 336 008.

Safer Suburbs Grant Program

Helping residents and businesses feel safer at home and at work, the Town of Walkerville's Safer Suburbs Grant Program offers eligible applicants funding support for the installation of safety cameras.

The program reflects Council's commitment to fostering safe, resilient and connected communities, and directly supports the delivery of the Strategic 10-year Plan – TOWards2035.

This policy applies to eligible applicants, including residents, local businesses, not-for-profit organisations, community groups and volunteer-based entities operating within the Township.

To be eligible for a Safer Suburbs Grant, applicants must be:

- a Town of Walkerville ratepayer living in the Council area;
- a resident living within the Town of Walkerville area (must provide written approval from property owner or landlord for installation of equipment);
- a not-for-profit organisation or community group based in the Town of Walkerville; or
- a local business operating within the Town of Walkerville that has an Australian Business Number (ABN), has current public liability insurance and, where relevant, have landlord and/or development approvals.

Funding will be provided towards the purchase of security camera/s, including CCTV installation and home security doorbells.

Residential applicants are eligible for a grant of up to \$100 per application, priority residents may be eligible for up to \$200 per application, and businesses and not-for-profit/community groups are eligible for a grant of up to \$500 per application.

Street sweeping helps keep the Township clean

Our street sweeping programs are seasonally adjusted to effectively manage the level of risk relating to street tree litter.

The autumn leaf sweeping program is due to commence on 30 April 2026. While we make every effort to keep our streets clean year-round, you can help out by doing the following:

- avoid sweeping leaves or clippings onto the road; and
- do not park caravans, trailers or boats on the road for extended periods.
