

A medium-sized dog with brown and white speckled fur is sitting on a wooden deck. The dog has its mouth open, showing its pink tongue, and is looking directly at the camera. It is wearing a black collar with a bone-shaped tag and a green tag. The background shows a grassy area and a concrete path.

Draft 2026/27 Annual Business Plan out for consultation

The Town of Walkerville's draft 2026/27 Annual Business Plan has been developed to deliver services, facilities and programs that support our community and businesses over the next financial year.

As part of the planning process, the Town of Walkerville community is invited to provide feedback on the draft Plan for 2026/27.

The Plan is proposed to be funded by a **proposed average rate increase of 4.9%**, which is the current CPI for the March 2026 quarter. This balanced increase ensures Council's financial sustainability without compromising essential services or future planning.

The Annual Business Plan incorporates:

- Council's ongoing progress with major projects in the Township, including the upgrade of the Walkerville Sports Club, upgrades to Levi Oval and the commencement of early-stage initiatives for the revitalisation of Walkerville Terrace;
- Installing and monitoring CCTV in strategic locations to deter criminal activity;
- Undertaking a detailed design for Council's Fuller Street works depot;
- Establishing a community garden at The W: Walkerville Recreation Centre;
- Park furniture and bin upgrades;
- A range of events and activity opportunities within the Township; and
- The continuation of regular Council services and amenities.

At its Special Council Meeting on Monday, 25 May 2026, Council Members endorsed the draft Annual Business Plan for Consultation. The full Council report can be viewed on the [Council website](#).

The community is encouraged to view the draft 2026/27 Annual Business Plan and provide feedback.

Consultation is open from 9am on Wednesday, 27 May 2026, until 5pm on Tuesday, 16 June 2026.

You can review the draft 26/27 Annual Business Plan on the Your Say Walkerville website or pick up a hard copy from the Civic & Community Centre.

New art exhibition on display

The Theresa Walker Gallery has a new art exhibition on display as part of Council's Your Art, Our Walls initiative – *Linear Perspectives* – by local artists Simon McIntyre and Lauren Gentile.

The exhibition titled *Linear Perspectives* is a play on both Linear Park, the explored environment, linear perspective, and the drawing techniques used to create the illusion of three-dimensional space.

The artists describe this exhibition as a reflection on the experience of living alongside Linear Park in the Walkerville and Vale Park area.

Linear Perspectives will be on display until the end of August 2026. Next time you're in the Civic & Community Centre, be sure to check out the display.

Are you looking to showcase your work and take your artistic practice to the next level?

Increase in school safety patrols

To improve the safety around local schools, Council's Community Safety Officers will be undertaking additional patrols during busy drop-off and pick-up times.

The safety of students is a top priority for Council. Over the coming weeks, Officers will have an increased presence around school zones to encourage safe driver behaviour and support a safer environment for children, families and school staff.

These patrols form part of Council's ongoing commitment to student safety

and focus on education and awareness. Officers will initially issue warnings to help raise awareness; however, vehicles found breaching traffic or parking regulations may face penalties following this period.

Council encourages all road users to take extra care when travelling near schools and to respect parking restrictions.

Community Bus Service

Did you know that Council provides a door-to-door community bus service for residents who do not have private transport options and have difficulties using public transport?

The community bus service to North Park/Sefton Park Shopping Centre runs every Friday from 10am.

Draft Long Term Financial Plan 2026/27 to 2035/36

Town of Walkerville is currently consulting on its draft Long Term Financial Plan (LTFP) 2026/27 to 2035/36, which sets out Council's financial goals for the next 10 years.

The proposed Plan provides a roadmap for the long-term financial position of Council that will guide decision-making in areas such as sustainable services and responsible debt management levels, timing of major projects and revenue requirements, including annual rate rises.

For Council and the wider community, the LTFP is a key component of Council's strategic management framework.

This document is also particularly important as Council progresses its major projects, which will shape and transform the community landscape and its spaces for residents.

The 10-year LTFP ensures that Council is undertaking its normal duties and community services, while also delivering major projects in a safe and financially sustainable way.

Council is also meeting legislative requirements under the *Local Government Act 1999*.

At the Special Council Meeting on 25 May, Council Members endorsed the draft Long Term Financial Plan for consultation. The full Council report can be viewed on the [Town of Walkerville website](#).

The draft Long Term Financial Plan consultation will run from 9am on Wednesday, 27 May 2026, until 5pm on Tuesday, 16 June 2026.

Between the Stacks

Check out some book reviews from the Walkerville Librarians!
Visit the [library catalogue](#) to place a hold on these great reads.

Don't Let Him In by Lisa Jewell

For me, *Don't Let Him In* started as a slow burn, however, the pace soon picked up with well-developed characters and plot twists and turns that were riveting. I enjoyed this title as an audiobook, so the different voices added another layer of appreciation for this multi-layered mystery thriller.

Table For One by Emma Gannon

This is exactly the kind of book I love to read – it was relatable, a bit funny, not too fluffy but not too serious either. I felt frustrated for main character Willow at times when life treats her unfairly, and rooted for her on the journey to finding herself again. I will definitely be reaching for Gannon's other books after reading *Table For One*.

The Frog's First Song by Jazz Money

This picture book is absolutely beautiful and heartwarming. From the silent darkness of the well, one little frog is brave enough to sing and bring light to the entire garden. I love seeing Australian authors shine, and it's easy to see why this is shortlisted for the CBCA Picture Book of the Year 2026.

Street sweeping helps keep the Township clean

Our street sweeping programs are seasonally adjusted to effectively manage the level of risk relating to street tree litter.

The autumn leaf sweeping program has commenced, in addition to our weekly program. Streets will be assessed week by week from April to July for excessive leaf accumulation. Sweeping will be programmed accordingly in coordination with Council’s contractor to ensure an efficient and responsive service.

While we make every effort to keep our streets clean year-round, you can help out by doing the following:

- avoid sweeping leaves or clippings onto the road; and
- do not park caravans, trailers or boats on the road for extended periods.
